Student Success: Financial Aid

2012-13
The purpose of financial aid is to help remove the financial barriers that stand in the way of a student’s education. The Tri-County Community College (TCCC) Financial Aid staff is committed to the philosophy that a high-quality education should be affordable and accessible to everyone in our community.

Eligibility Requirements

To receive aid from any of the federal and state student aid programs, students must meet ALL of the following criteria:

- Demonstration of financial need. A student’s financial need is determined through the submission of the Free Application for Federal Student Aid (FAFSA). Go to www.fafsa.ed.gov to begin the process. Please note: A FAFSA or FAFSA Renewal is required to be completed EVERY academic year the student seeks financial aid.
- Have a high school diploma or GED.
- Be accepted for enrollment in an eligible program of study at TCCC.
- Be a US citizen or an eligible non-citizen.
- Have a valid Social Security Number.
- Meet Satisfactory Academic Progress standards set by TCCC.
- Certify that he/she will use financial aid for educational purposes only.
- Certify that he/she is not in default on federal student loans and does not owe money on a federal student grant.
- Register with Selective Service, if required.
- Meet federal eligibility requirements regarding drug-related convictions.

Enrollment Status for Financial Aid

Students only receive financial aid for those courses that are listed in the TCCC catalog as required for their program of study. Financial aid may be paid for developmental courses, if required, based on the student’s placement test scores. The amount of financial aid a student receives will depend upon his/her enrollment hours and program of study. For programs based on semester credit hours, enrollment is defined for fall, spring, and summer semesters below:

- Full-Time.....................................................12 or more credit hours
- Three-quarter Time......................................9-11 credit hours
- Half Time.....................................................6-8 credit hours
- Less than Half Time.....................................1-5 credit hours

Please Note: In accord with Federal guidelines, some TCCC Programs of Study are calculated as “Clock Hour” programs for aid disbursement purposes. Students who are enrolled in a diploma, certificate, or clock hour program that require a conversion of enrollment hours will receive financial aid based on the number of enrollment hours after the calculated conversion.

Multiple Class Sessions

Students who register for four and eight week class sessions during each semester and receive financial aid will not receive funding for these classes until approximately 4-5 weeks after they have begun. According to Federal/State guidelines, students cannot receive Federal/State funds for classes until those classes have begun and class attendance has been taken. For more information, contact the Financial Aid Office.

Financial Aid Disbursement Dates

Financial aid refunds are disbursed to currently enrolled students AFTER attendance is monitored each semester. TCCC will transfer each student’s remaining funds to Higher One approximately four to five weeks after the first day of classes each semester. Higher One will apply each student’s refund to his/her Higher One account, personal bank account or by check based on the preference selected at MyTriCountyCard.com. Students enrolled in classes that start later in the semester will receive refunds at a later date using the same disbursement method above. For information about Higher One, please visit https://mytricountycard.higheroneaccount.com/.
**Types of Financial Aid**

**Pell Grant**
A Federal Pell Grant, unlike a loan, does not have to be repaid unless the student totally withdraws from classes. Pell Grants are classified as Title IV federal aid and awarded only to undergraduate students who demonstrate financial need by completing a FAFSA. Students are limited to receiving a Pell Grant for the equivalent of twelve full-time enrolled semesters. This applies to ALL Federal Pell Grant eligible students and includes ALL years of receiving Pell Grant funds. Students who have earned a bachelor’s degree do not qualify for a Pell Grant. Pell Grants may be used to pay a student’s direct educational costs, such as tuition, fees, and books, as well as indirect educational costs, such as transportation expenses. Students should apply well in advance of the semester they plan to attend. The federal processor must receive your FAFSA by June 30 to be considered for the current academic year. There are no exceptions to this deadline.

**Federal Direct Loan Program**
TCCC participates in the Federal Direct Loan Program, which includes Federal Stafford Loans offered to students, and Federal PLUS Loans offered to students’ parents. These loans must be REPAID with interest. In order to apply for a loan, students must submit a FAFSA and reapply for a student loan each academic year. In addition, the student must annually complete all appropriate forms required by the Federal Direct Loan Program.

The amount a student may borrow will be determined by a number of factors, including whether the student is first-year or second-year, dependent or independent, or receiving other types of financial assistance.

All applicants are required to file a FAFSA and must have calculated financial need to receive a subsidized loan. Subsidized loans are those which the government pays the interest while the student is in school and in other periods of authorized deferment. The student becomes responsible for the interest and principal payments six months after graduating or dropping below half-time enrollment.

Unsubsidized loans are those which the student is charged interest from the date of first receipt of loan funds. Payments are not required while the student is in school and in other periods of authorized deferment, but the student is encouraged to make the interest payments rather than add them to the loan balance. Students or parents interested in applying for a Federal Stafford Loan MUST contact the TCCC Financial Aid Office.

**Federal Supplemental Educational Opportunity Grant (FSEOG)**
The FSEOG is designed to supplement existing financial aid for undergraduates who have demonstrated exceptional financial need. It is classified as Title IV federal aid. This grant is awarded to eligible applicants for the fall and spring semesters. While no deadline exists, students are encouraged to submit their FAFSA as soon as they file their taxes because the application date is one criterion for the award.

**Federal Work-Study Program (FWS)**
This program is designed to assist students who need extra income to continue their education at TCCC and provide valuable work experience. To be eligible for this program, you must first complete a FAFSA. Work-Study position announcements will be displayed at the beginning of each academic year, or whenever there are position openings throughout the year. Deadlines for applying are posted on each advertisement. Students are required to reapply annually. Students may be eligible for the Work-Study program even if they are not eligible for the Federal Pell Grant.

**North Carolina Community College Grant (NCCCG)**
The NCCCG is a need-based grant established by the North Carolina Legislature to provide funds to help meet the educational costs of NC residents attending community colleges. The availability of this funding depends on allocation from the North Carolina State Legislature and eligibility is determined by a student’s FAFSA.

**North Carolina Education Lottery Scholarship (NCELS)**
North Carolina residents who enroll for at least six credit hours as an undergraduate at an eligible NC institution may be eligible for this scholarship. The award is based on the same criteria as the Federal Pell Grant. Current awards range from $100 to $3,400 per academic year.

**North Carolina Childcare Grant**
This grant was established by the NC General Assembly to assist student-parents with their financial responsibilities for childcare expenses so they may complete their educational goals. Students must apply separately for this grant at the TCCC Financial Aid office, and they must also demonstrate financial need through their current processed FAFSA.
Targeted Assistance

This program is designed to assist students in specific programs of study that enroll substantially less than class capacity but for which there is a high demand for employees in the service area labor force. Once these programs have been determined, all students enrolled in the identified program(s) will be notified by letter informing them of this available funding. The Targeted Assistance is generally awarded at the 60% point of the semester.

Scholarships from Tri-County Community College

Tri-County Community College offers a variety of student scholarships ranging from $250 to $1,000. Many of these scholarships are made possible by the generous donations of local individuals and businesses. A student’s scholarship file must be complete by April 15 to be considered for any and all scholarships sponsored by TCCC.

To apply for any of the TCCC scholarships, interested applicants must submit:

1. Scholarship Application Form.
2. Processed FAFSA application.
3. Two scholarship recommendation forms (preferably from instructors, counselors, or other professionals).
4. Most recent official transcript (high school or college).
5. A 500-word essay.

These items must be turned in to the Financial Aid Office by the April 15 deadline to be considered.

The following is a partial list of recent scholarships and donors.

- Barnes Scholarship
- Carringer Scholarship Fund
- College Bookstores of America Scholarship
- Dallas McMillan Scholarship
- First Citizens Bank Scholarship
- Gayle West Scholarship, sponsored by West Contracting, Inc.
- Macon Savings Bank
- MOOG Components Group Scholarship
- Murphy Lions Club Scholarship
- Murphy Rotary Club Scholarship
- Ruth Star Pullium Scholarship, sponsored by the Konnaheeta Women’s Club
- Sarah Easley Harper Scholarship
- SGA Summit Scholarship
- State Employees’ Credit Union Community College Scholarships
- Tri-County Bass Club Scholarship
- Tri-County Community College Foundation Excellence Award
- United Community Bank Scholarship (Cherokee, Clay or Graham Counties)
- Vincent Crisp Memorial Scholarship
- Wells Fargo Technical Scholarship

Other Financial Aid Programs

Other sources of financial assistance are available through the following organizations for qualifying students. Interested students should contact these organizations directly to apply.

- The Workforce Investment Act (WIA) of 1998 provides financial assistance to income-eligible persons enrolled in an approved curriculum. This program is administered through the Employment Security Commission.
- The North Carolina Division of Vocational Rehabilitation provides services to persons with disabilities in order to help them obtain employment.
- The Cherokee Education and Training Adult Education Program administer educational assistance programs for the Eastern Band of Cherokee Indians and the Bureau of Indian Affairs.
- Veteran’s Benefits - The Department of Veterans Affairs provides assistance to eligible members of the National Guard, Selected Reservists, eligible veterans, and certain veteran dependents. The Department of Veterans Affairs is the final authority for determining eligibility.
Financial Aid Process

Need Analysis for Financial Aid

When applying for federal student aid, the information reported on the FAFSA is used to calculate each student’s Expected Family Contribution (EFC). The formula used to calculate the EFC is established by law to measure the financial strength of a student’s family on the basis of the family's income and assets. The EFC is used to determine a student’s eligibility for student aid. Below is the need analysis equation.

\[
\text{Cost of Attendance} - \text{Expected Family Contribution} = \text{Financial Need}
\]

TCCC’s Financial Aid Office will calculate cost of attendance and subtract the reported EFC. If any amount remains, then a student has “financial need.” The Financial Aid Office will work with students toward meeting the need, however because funds are limited, the amount awarded to an individual student may not meet the total need.

How to Pay for College

1. Students should find out as much as possible about the TCCC program that interests them and the current costs to attend.

2. Students should discuss options for paying for school with their families. High school students should talk to their counselor about applying for local or private scholarships. Many scholarship deadlines are in the spring of the year.

3. Students need to apply for financial aid as soon as possible, but well in advance of the semester they plan to attend.

4. To apply for aid at TCCC, students must complete a FAFSA and submit it either by mail or by electronically filing at www.fafsa.ed.gov. Students/parents are encouraged to utilize the IRS Data Retrieval option when completing the FAFSA application online. However, students can use their current 2012 tax returns and W2’s to complete the FAFSA application. If the student is dependent, he/she will need parent’s tax returns and W2’s as well.

5. Students who apply for financial aid will need to apply for a PIN number either before or when completing the FAFSA application online. Students can apply for a PIN number at www.pin.ed.gov. If the student is dependent, the parent must also apply for a PIN number. Student/parents should retain their PIN number to ease the process for applying for aid in the subsequent years.

6. Other financial aid at TCCC is awarded with priority given to early applicants, so do not delay.

7. Once students complete their FAFSA application, they will receive a Student Aid Report (SAR) by mail or email (usually within a few days). In addition, the Financial Aid Office will notify the students via the TCCC student email account regarding any documentation needed to verify eligibility for financial aid. It is the student’s responsibility to submit the requested documentation to the Financial Aid Office as soon as possible.

8. Once a student’s eligibility had been determined, the student will be awarded financial aid. The student will be notified of eligible funding by the TCCC student email account. The student is required to log on to the TCCC website and read the Financial Aid Recipient Responsibilities on the Financial Aid page to understand the rules and guidelines they must follow to receive the funding.

9. Students should contact the Financial Aid Office to discuss other aid programs such as scholarships, veteran benefits, and the Federal Work-Study Program.

10. The deadline to apply for all institutional scholarships is April 15.

11. In addition to applying for financial aid, students must ensure that they complete an Admissions application and provide the TCCC Student Success Center with all documentation, including official high school and other college transcripts. Students must also take TCCC’s college placement test before they will be accepted at the college. Note: Students must be accepted before any financial aid can be awarded.

12. Every student should reapply for financial aid annually when tax returns are completed if planning to attend college the upcoming fall semester.
Financial Aid

Satisfactory Academic Progress

Federal regulations require that all students who receive federal student aid maintain Satisfactory Academic Progress (SAP) as defined by the institution. These regulations require that a schools SAP policy include both 1) a Qualitative measure and 2) a Quantitative measure. The Tri-County Community College Financial Aid Office is required to review a student's entire academic record (regardless of the age of the record or whether or not aid was received) to determine if he/she is in compliance. A student's SAP is evaluated at the time of application for aid and at the end of each semester. Students must meet all of the standards listed below. Failure to meet these standards will result in the loss of financial aid.

Qualitative Measure

Students must achieve and maintain a cumulative grade point average (GPA) of 2.0 or better on all coursework attempted each semester. This includes all periods of enrollment (including those for which the student did not receive financial aid). Only letter grades of A, B, C, D, M or S are counted as completed credits. Letter grades of F, I, NM, U, W, WF and WP are counted as credit hours attempted but not successfully completed. A letter grade of NA is not counted as attempted or earned credit hours. Audited (Y) or Credit by Exam (X) are not funded by financial aid and are excluded from all calculations.

Quantitative Measure

Students must successfully complete at least 67% of the total attempted credit hours to maintain SAP. Total credit hours attempted are calculated as all hours enrolled per semester, minus any hours withdrawn or dropped during the 75% refund period. Hours attempted also include transfer credit hours accepted toward a students educational program. For example: a student who attempts 12 credit hours and successfully completes 9 credit hours has a 75% completion rate (9 credit hours completed divided by 12 credit hours attempted = 75%). Remedial and repeated courses will also be calculated as hours attempted (See list below).

In addition to measuring successful completion of 67% of total attempted credit hours, students must also complete their program of study in a time frame not to exceed 150% of the published length of the program. This Maximum Time Frame measures all attempted credit hours. For example: If a students primary program of study completes in 72 hours, the student must complete the program prior to amassing no more than 108 total credit hours (72 x 1.50 = 108). The students academic history, including transfer hours accepted from other institutions for his/her current program of study are considered when evaluating academic progress within the established time frame. Students who exceed the maximum time frame will automatically lose all financial aid eligibility. Please contact the Financial Aid Office about possibly regaining eligibility. The following key points may also affect maximum time frame:

• **Changing Program of Study** – students who change their program are still responsible for adhering to the 150% maximum time frame of the new program. Students who decide to change their program are advised to do so early in their academic program, and only after consultation with their advisor and the Financial Aid Office.

• **Secondary Program of Study** – students who declare a second program run the risk of exceeding the 150% maximum time frame. All hours attempted for both programs will be calculated into the maximum time frame. Students should consult with their advisor and the Financial Aid Office before adding a secondary program of study.

• **Course Incompletes, Withdrawals, and Repeats** – All credit hours for course incompletes, withdrawals, or repeated courses will be counted as hours attempted toward the maximum time frame.

• **Remedial Courses** – students who have been accepted into a program of study and are required to take remedial courses as determined by placement testing are limited to 30 semester hours of remedial course work. Such courses will be calculated as hours attempted; however, such courses will extend the 150% time frame by the number of credit hours earned in each remedial course.

• **Graduates** – students returning to TCCC to pursue an additional degree will be given a new maximum time frame. Only the successfully completed credit hours that apply to the additional degree will be counted towards the next maximum time frame.

Students are strongly encouraged to consult with the Financial Aid Office regarding changes to their program of study.

SAP Notification

Each student's financial aid eligibility status will be updated at the end of each semester. Students will be notified of their SAP status via their student email account. Students are responsible for knowing their SAP status. Failure to receive the SAP notification or not enrolling for one or more semesters does not change the student's status.
Explanation of Terms Related to SAP Status

**Satisfactory:** “Satisfactory” status is achieved when the GPA, completion rate, and maximum time frame requirements are met.

**Warning:** “Warning” status is assigned to students who fail to meet the eligibility standards for the completion rate and/or GPA requirements during their first period of enrollment. Students with a “Warning” status may continue to receive financial aid for ONE additional semester provided all other eligibility requirements are met. This gives the student the opportunity to improve his/her academic results. A student is responsible for meeting SAP standards by the end of the warning period (semester).

If a student fails to improve his/her academic standing after the “Warning” period, the student will be notified and financial aid will cease. Once financial aid is lost, a student may submit a SAP Appeal in an effort to have his/her financial aid reinstated. The SAP Appeal form allows a student to explain and document any mitigating circumstances as to why he/she:

- Failed to meet the cumulative completion rate and/or GPA requirement at the end of a “warning” period.
- Failed to complete his/her program before the Maximum Time Frame limit (150%) was reached.

**Probation on Appeal:** “Probation on Appeal” status is assigned to a student who fails to make SAP and who has had their eligibility reinstated as the result of an appeal (See “Appeal Process” section below). A “Probation on Appeal” student will only receive financial aid for ONE additional semester. A “Probation on Appeal” student may not receive financial aid for subsequent payment periods unless:

- The student meets SAP standards at the end of the probation period (semester), or
- The student meets all requirements specified by the institution in the academic plan.

If a student placed on a “Probation on Appeal” status fails to meet the SAP standards at the end of the probationary period, he/she will lose all financial aid eligibility.

**Continued Probation:** “Continued Probation” status is assigned to a student who, after failing to make SAP and after submitting a SAP Appeal Form (See “Appeals Process” section below), has been placed on an Academic Plan (See “Academic Plan” section below). A student placed on an Academic Plan must successfully follow and complete the conditions of the plan. The student will continue to receive financial aid as long as the student meets all requirements and continues to make progress as designated in the Academic Plan.

If a student placed on “Continued Probation” status fails to meet the conditions of his/her Academic Plan, he/she will lose all financial aid eligibility.

**How to Regain Financial Aid Eligibility**

If a student has lost his/her financial aid by failing to maintain SAP, the following options are available to regain eligibility:

- Pay for classes on your own – a student must enroll in a subsequent semester(s) at his/her own expense and complete enough classes to meet the 67% completion rate and the cumulative 2.0 GPA requirements.
- Notification of a grade change – the student’s financial aid may be reinstated as a result of a grade change, provided that the change results in the student meeting both the completion rate and GPA requirements.
- Complete a Degree – a student who has lost his/her financial aid due to exceeding the 150% maximum time frame may regain eligibility once he/she has earned a degree.
- Appeal Process – a student may appeal his/her loss of financial aid by submitting a SAP Appeal Form explaining the mitigating circumstances as to why he/she did not meet SAP.

Students MUST contact the Financial Aid Office when they feel they have regained eligibility.

**NOTE:** Students should contact the Financial Aid Office when they believe that they have regained eligibility, in the meantime, students seeking to regain eligibility for financial aid remain ineligible and must be prepared to pay tuition, fees and other related expenses.

**Appeal Process**

Although a student may lose his/her financial aid eligibility, the student has the right to appeal their status to the Financial Aid Committee and possibly have eligibility reinstated due to mitigating circumstances* that can be documented. A student that submits a SAP Appeal Form will have his/her overall academic history evaluated by the Financial Aid Committee. If the appeal is granted, the student will be placed either on “Probation on Appeal” or “Continued Probation.” The student will receive a Financial Aid Academic Plan Form, informing him/her of their appeal status and instructions for completion.
The procedure to appeal is as follows:

1. A student must complete a SAP Appeal Form and submit it to the Financial Aid Office (SAP Appeal Form is available on the Financial Aid page at www.tricountrycc.edu or in the Financial Aid Office).

2. In order to be considered for appeal in a given semester, a student’s SAP Appeal Form must be accompanied by supporting documentation and received by the following dates: January 10 for Spring; June 1 for Summer; August 20 for Fall. Once the SAP Appeal Form and all documentation have been received, the Financial Aid Office will review the appeal.

3. The Financial Aid Office and/or Committee will review the appeal and notify the student of its decision.

4. The decision of the Financial Aid Committee is final.

*Mitigating circumstances may include an injury or illness of the student, death of a relative, change in employment situations, and/or undue hardship caused by special circumstances.*

**Possible Outcomes of Appeals**

**Appeal Granted - Probation on Appeal:** If the student is placed on “Probation on Appeal,” the student will only receive financial aid for ONE additional semester. If the student does not meet SAP standards at the end of the designated semester, he/she will lose all financial aid eligibility.

**Appeal Granted - Continued Probation:** If the student is placed on “Continued Probation,” the student will receive financial aid while following an Academic Plan. The student will be required to meet specific criteria and make progress up to a designated period of time. If the student does not meet the requirements at any point during the plan duration, he/she will lose all financial aid eligibility.

**What is an Academic Plan?** The Financial Aid Committee will structure an Academic Plan based on the content of a student’s appeal. The plan will include specific requirements the student must meet to assist in the completion of his/her program of study and to continue receiving financial aid. Also, the student will be required to complete a Financial Aid Academic Plan Form with the college counselor and with his/her advisor and submit the form to the Financial Aid Office. As long as the student is making satisfactory progress, he/she will remain on “Continued Probation” status for the designated period of time. If the student fails to meet the requirements set forth in the Academic Plan, the student will lose all financial aid eligibility and aid will not be reinstated until the student is making SAP.

**Appeal Denied:** If the appeal is denied, financial aid will not be reinstated until the student has met all SAP standards.

For further explanation of SAP and related issues, please contact the Tri-County Community College Financial Aid Office.

**Return of Federal Title IV/State Funds Due to Withdrawal**

Students receiving Federal Title IV Funds (Pell Grant, FSEOG, Direct Loan, etc.) who withdraw from ALL of their classes prior to the 60% point of the semester and/or students receiving State Funds (NCCCG, NCELS, etc.) who withdraw from ALL of their classes prior to the 35% point of the semester will be required to return all or a portion of their Federal Title IV/State funding.

The amount a student must return will be determined by the percentage of the semester that the student completes. For example, if a student only completes 30% of the semester, he or she has earned 30% of the Federal Title IV/State funding and must return a calculated amount of the unearned 70% to the Federal Title IV/State program(s). A student’s completion percentage is determined by:

Credit hour program: the total number of days completed divided by the total number of days in the semester.

Clock hour program: total number of clock hours/weeks completed divided by total number of clock hours/weeks in the semester.

Students who withdraw from all of their classes after the designated point of the semester has passed will owe no refund; however, any institutional charges that must be repaid will be billed to the student. Students who owe money but do not repay or make arrangements to pay will be sent to the North Carolina Department of Revenue and Department of Justice for debt set off in which the student’s taxes will be garnished. Finally, if debt is not recovered, the student will be turned over to a collection agency.

**Special Circumstances**

Students should contact the Financial Aid Office if they feel they have special circumstances that might affect their dependency status or the amount they and their family are expected to contribute toward their education. These circumstances could include a family’s unusual medical expenses or recent unemployment due to an involuntary layoff, plant closure, etc.
There must be very good reasons to make any adjustments and students will be required to provide documentation to adequately prove their request. The Financial Aid staff’s decision is final, and it cannot be appealed to the US Department of Education.

**FINAL FACTS FOR TCCC FINANCIAL AID RECIPIENTS**

- Apply for financial aid at www.fafsa.ed.gov.
- Students MUST re-apply annually.
- Utilize the IRS Data Retrieval.
- TCCC’s school code is 009430.
- Adhere to ALL financial aid deadlines.
- Enroll in a program of study that meets eligibility for financial aid assistance.
- Promptly submit all requested documentation to the Financial Aid Office.
- A student must register for classes ONLY under his/her program of study.
- Attend scheduled classes to prevent delays in financial aid refunds.
- Financial aid cannot be received for classes outside a student’s program of study, not attended, audited or exempted.
- Financial aid will only pay for 30 hours of remedial courses.
- Drop classes before the first day of class if not planning to attend TCCC.
- Maintain Satisfactory Academic Progress (SAP) each semester to continue receiving financial aid assistance.
- Consult with the Financial Aid Office staff if withdrawing or dropping classes, this could jeopardize future financial aid or owing funds.
- Consult with the Financial Aid Office staff if changing or adding a secondary major.
- Financial aid cannot be received at two institutions for the same semester.
- Financial aid is awarded based on enrollment hours:
  - Full-time = 12 or more credit hours
  - Three quarter time = 9-11 credit hours
  - Half-time = 6-8 credit hours
  - Less Than Half-time = 1-5 credit hours
- Complete a loan request form each year if requesting a student loan.
- A first time borrower must attend the TCCC Financial Literacy class.
- A student must be enrolled at least half-time to receive a student loan.
- Exit counseling must be completed if graduating or enrolled less than half-time.
- A student must contact the Financial Aid Office and his/her loan servicer if his/her address and/or contact information changes.
- Financial aid refunds will be disbursed to students via their Higher One account, bank account or by check based on the preference selected at MyTriCountyCard.com approximately four to five weeks after classes begin.
