TCCC adds Visual Arts degree

“Really?” the student said, hardly believing the announcement that President Donna Tipton-Rogers had just made. “I can get an art degree here? That sounds so perfect for me!”

This response came from a recent visitor to Tri-County Community College’s What’s Next Open House for high school students. The young woman had just heard about the College’s new Associate in Fine Arts in Visual Arts, a degree program slated to begin Fall 2016.

“I always knew there would be a lot of interest in this program,” said Ray Kaylor, Art Instructor. “This area has a lot of creative talent.”

The A.F.A. in Visual Arts is an art-intensive College Transfer degree. “This gives the degree a unique flexibility,” said Lee Ann Hodges, Dean of Humanities, Social Sciences, and Public Service Technologies. “Graduates of this program can choose to transfer into a Bachelor of Fine Arts program, or they may start work immediately in a creative career as an independent artist or craftsperson or a graphic designer.”

Art-intensive classes will begin Fall 2016, but students who wish to get a jump-start on the A.F.A. may take classes to satisfy general education requirements this summer.

Please visit www.tricountycc.edu and click on the AFA campaign to sign up to receive more information about this program.

You may also contact Lee Ann Hodges for details about the program at lhodges@tricountycc.edu or (828) 835-4269.

NEW STUDENT ORIENTATION

Tri-County Community College hosts New Student Orientation sessions every semester, and as needed by student demand. Typically, New Student Orientations last one and a half hours and are held in the student lounge in the Harper Building. It's a good time for students to mingle amongst themselves and to get acquainted with faculty members and TCCC staff.

During this time, qualified TCCC staff will be on hand to answer questions and help students with all aspects of registration and financial aid. Student ID badges will be issued and the sessions are wrapped up with a TCCC campus tour.

New students are strongly encouraged to attend one of these sessions. This introduction will prepare new students for all aspects of Tri-County Community College and give them a strong foundation to ensure their academic success. Go to www.tricountycc.edu/add-me-to-the-list/new-student-orientation-registration to pre-register for the next available session.

If you have any questions about the new student orientation sessions, please contact Tri-County Community College at (828) 837-6810 or stop by the Harper Help Desk anytime!

HOW DO I APPLY?

CURRICULUM STUDENT REGISTRATION

STEP BY STEP GUIDE

Submit an application to the College. You may pick up an application at the Harper Help Desk in the Harper Building on the Main Campus or in the Shope Building on the Robbinsville campus. You may also apply online at www.tricountycc.edu and click on the "Apply Today" button.

If you have previously taken college credit classes at Tri-County in the past, please do not use the online application. You will need to complete a "Re-Enter Form" with the Admissions Office.

Apply for financial aid. To begin the financial aid process, all students should submit the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. Students needing assistance with the FAFSA application are welcome to contact the TCCC Financial Aid office located in the Harper Building on the Main Campus, or call 828-837-6810. The FAFSA school code for TCCC is 009430. The Financial Aid office also helps with assistance related to scholarships, grants, and the Federal Work-Study program.

Submit your transcripts/placement scores. Have all official transcripts (high school, GED, or other college), and SAT or ACT scores sent to the College. Take the College Placement Test **BEFORE** you meet with your advisor if prerequisites have not been met for courses in your program of study.

Meet with your advisor. New student? You must meet with your advisor to discuss your program of study and register for classes.

Returning student? During Early and Regular Registration you may use WebAdvisor by logging onto www.tricountycc.edu and clicking on the WebAdvisor link.

Pay for your classes. If you are private pay or have other sources of funding (Out-of-State Waiver, TEACH, or ESC) go to the Business Office in the Harper Building on the Main Campus or the Shope Building in Robbinsville for payment. If you have financial aid (scholarships or Pell) you must verify your award with your advisor at the time of your registration, or at the Harper Building Help Desk located on the Main Campus or the Shope Building in Robbinsville.

Pick up a parking decal. Once your financial aid has been verified or payment has been made for your classes, you should pick up your parking decal at the Business Office in the Harper Building on the Main Campus or the Shope Building in Robbinsville.

Purchase your books. You may purchase your books at the bookstore in the Harper Building on the Main Campus or during designated dates at the Robbinsville campus (check with reception area in Shope Building for additional information). Information on the textbooks required for each class can be found on the TCCC Bookstore link on the College's website.

Obtain a student identification card. You obtain your identification card at the Harper Help Desk in the Harper Building on the Main Campus or the Shope Building in Robbinsville.

Tri-County Community College offers a wide range of Programs of Study, Human Resource Development, Employment Services, and Career Counseling. Would you like assistance in taking the first step? Call our friendly and experienced staff to explore the opportunities available to you at all three Tri-County Community College locations.

IMPORTANT NOTICES

Schedule Adjustments North Carolina Administrative Code has determined that a student's refund will be limited to 75 percent after the beginning of a term through the last day of the late registration cycle. In Summer Semester 2016, the drop process must be completed by 12:00 p.m. on June 3. TCCC recommends the student be prepared to transact a drop/add at the same time in order to avoid a 25 percent charge.

Refund Policy A 100 percent refund will be made if you officially withdraw prior to 6:30 p.m. on May 31, or if a course is canceled due to insufficient enrollment. A 75 percent refund will be made if you drop a class prior to or on the official 10 percent point of each section. No refunds will be issued if a student drops after 12:00 p.m. on June 3. NOTE: All course seats will be filled on a first-come, first-served basis.

Out of State Tuition Waiver A tuition waiver program for non-residents is available for students who are employed by a North Carolina business (GS115D-39). Any out-of-state student can qualify for in-state tuition rates if his or her employer agrees to pay the tuition charges. Tuition Waiver forms are available at the Harper Help Desk.

Early Registration The April 4 - 8 Early Registration period is designed to help TCCC students obtain a place in desired classes prior to the May 31 regular registration period.

High School Students Select TCCC classes are available for high school students. See the Guidance Counselor or Distance Learning Advisor at your high school for more information about registration and course offerings. You may also contact Samantha Major at (828) 835-4203 or smajor@tricountycc.edu for more information on how to sign up for post-secondary education classes.

Special Credit Students Special Credit, non-degree seeking students must follow registration procedures prescribed at the Student Services desk located on either campus. Please note: Non-degree seeking students are not eligible for any type of financial aid.

Placement Testing Applicants to any program of study (degree, diploma, or certificate), Career and College Promise program (CCP) for high school students, are required to demonstrate competence in English, mathematics, and computer skills. Competence can be demonstrated in one of three ways:

- Have successfully completed a college level math, English, and computer course at another institution.
- Have met College Readiness determination through Multiple Measures evaluation and/or have taken the SAT or ACT (Students must have SAT scores of at least: Writing 500 or Critical Reading 500 and/or 500 math; ACT Reading 22, ACT English 18, and/or ACT Math 22).
- Take the Tri-County Community College placement test to be placed in the appropriate course(s) according to the college guidelines.

Placement test scores, SAT/ACT scores, and developmental courses are valid for five years.

Open Door Admissions Any person 18 years of age, or a high school graduate or equivalent, may be accepted by the College upon presentation of transcripts and evaluation of the Multiple Measure Placement Policy adopted by the NCCCS in 2013. SAT, ACT, or TCCC placement test scores are also considerations. In addition, high school students and home school applicants who are 16 years of age or older may be admitted in accordance with the CCP policies adopted by the state of North Carolina. For more information on the admissions process, please call the Harper Help Desk at (828) 837-6810.

Textbooks Information on the textbooks required for each class can be found on the TCCC Bookstore link on the College's website.

Career KEYS: A Quality Enhancement Plan

Career KEYS is a program to help Tri-County Community College students succeed by learning career readiness skills.

Students are introduced to **Career KEYS** during an early course using career inventories and assessments to ensure that interests and skills are matched with chosen careers.

Employability skills are taught in every program using lessons and assignments to ensure that students are prepared to apply knowledge in a variety of life situations.

During upper level courses the **Career Readiness Certification (CRC)** is administered to measure the student's employability skills. The CRC certificate provides the student with skills documentation which is easily recognized by potential employers.

Students are encouraged to visit the Career Center at any time for individualized career counseling and assistance with resumes, applications, and more.

Pell Grant Recipients

Pell Grants are classified as Title IV federal aid and awarded only to undergraduate students who demonstrate financial need by completing a Free Application for Federal Student Aid (FAFSA). Students are limited to receiving a Pell Grant for the equivalent of 12 full-time enrolled semesters. This applies to all Federal Pell Grant eligible students and includes all years of receiving Pell Grant Funds. Students who have earned a bachelor's degree do not qualify for a Pell Grant. For more information go to: studentaid.ed.gov/types/grants-scholarships/pell/calculate-eligibility.

Purchasing Books and Supplies

Students receiving financial aid may purchase books and supplies at the TCCC bookstore during the regular registration and the drop/add period each semester. Purchasing books and supplies in the TCCC bookstore authorizes TCCC to deduct all charges from the student's financial aid account. Students have the option to purchase books and supplies through another vendor; however, students will have to pay for those purchases on their own. For more information, contact the Financial Aid Office.

Multiple Class Sessions

Students who register for four or eight week class sessions during each semester and receive financial aid will not receive funding for these classes until approximately four - five weeks after they have begun. According to Federal/State guidelines, students cannot receive Federal/State funds for classes until those classes have begun and class attendance has been taken. For more information, contact the Financial Aid Office.

Financial Aid Refunds/Higher One

Financial aid refunds will be disbursed to students via their Higher One account, bank account or by check based on the preference selected at MyTriCountyCard.com approximately four to five weeks after classes begin. For additional information regarding the College's refund process, please take a look at the College website at www.tricountycc.edu.

North Carolina Childcare Grant

The North Carolina Childcare Grant was established by the North Carolina General Assembly to assist student-parents with their financial responsibilities for childcare expenses so they may complete their educational goals. Students must demonstrate financial need to qualify for the Childcare Grant. To determine financial need, students must complete the Free Application for Federal Student Aid (FAFSA) prior to applying for the Childcare Grant. For more information, please contact the Financial Aid Office.

Final Facts for TCCC Financial Aid Recipients

- Students can apply for financial aid at www.fafsa.gov. This is a free application.
- Students must re-apply annually.
- Students/parents should utilize the IRS Data Retrieval for the quickest response.
- Tri-County Community College's school code is 009430.
- Be aware of and adhere to all financial aid deadlines.
- Students should enroll in a program of study that meets eligibility for financial aid assistance.
- Students should promptly submit all requested documentation to the Financial Aid Office.
- A student must register for classes only under his/her program of study.
- Students must attend scheduled classes from the outset to prevent delays in financial aid refunds.
- Financial aid cannot be received for classes outside a student's program of study, classes not attended, audited classes, or exempted.
- Financial aid will only pay for 30 hours of remedial courses.
- In order to avoid losing financial aid or owing money to the school, students must drop classes before the first day of class if not planning to attend TCCC.
- Students must maintain Satisfactory Academic Progress (SAP) each semester to continue receiving financial aid assistance.
- Consult with the Financial Aid Office staff if withdrawing or dropping classes because this could jeopardize future financial aid or result in a student having to repay funds.
- Consult with the Financial Aid Office staff if changing or adding a secondary major.
- Financial aid cannot be received at two institutions for the same semester.
- Financial aid is awarded based on enrollment hours:
 - Full-time = 12 or more credit hours
 - Three-quarter-time = 9-11 credit hours
 - Half-time = 6-8 credit hours
 - Less than half-time = 1-5 credit hours
- Students enrolled in a diploma, certificate, or clock hour program that require a conversion of enrollment hours will receive financial aid based on the number of enrollment hours after the calculated conversion.
- Financial aid refunds will be disbursed to students via their Higher One account, bank account or by check based on the preference selected at MyTriCountyCard.com approximately four to five weeks after classes begin.
- If a student receives any type of financial aid assistance as a refund, the student will receive a 1098T yearly from TCCC for tax filing purposes. Please remember the refund is considered income to the student's household and MUST be reported on the student's annual tax return.

ONLINE/DISTANCE LEARNING AT TRI-COUNTY: ANYWHERE, ANYTIME, ONLINE

Online or Distance classes at TCCC are presented on Moodle, an Internet learning site students use to view class materials, submit assignments, communicate, take quizzes, check grades, participate in classroom activities and communicate with the instructor online.

Online courses are offered in three formats. Look for these symbols:

- **Online/Internet Courses (IN)** 100% of the course is online.
- **Hybrid (HY)** 50% or more of the class is online but students also meet in face-to-face sessions. **Web Supported/Web Assisted (WB)** Face-to-face instruction is greater than 50% of the class, although students will need Internet access to participate in supplemental parts of the course.
- **Web Supported/Web Assisted (WB)** Face-to-face classes are enhanced with Internet activities.

Further information about online classes can be found at the TCCC Distance Learning website, www.tricountycc.edu/learning-resources/distance-learning-at-tccc/ and on the Moodle login page, www.moodle.tricountycc.edu.

STEPS TO ONLINE STUDENT SUCCESS

STEP 1

Have the correct equipment and software: You will need:

- Access to an adequately equipped computer
- Internet connectivity
- Specific software programs (if required by instructor)

STEP 2

Have good basic computer skills: You will need to know how to:

- Save, organize, find and attach files and folders
- Create and format documents and pictures
- Effectively search and open web pages
- Send and receive messages

STEP 3

Participate in Moodle orientations:

- Watch login videos in the Moodle Student Orientation training course in Moodle.
- Visit the Computer Support Lab.

STEP 4

Complete assignments and quizzes:

- Online students must login to each online class the first day of the class to submit a mandatory attendance assignment.
- Login to each class regularly to complete and submit assignments and quizzes.
- **Students who do not submit assignments will be dropped from the class.**

STEP 5

Ask for HELP:

- 24/7 online computer support on the Student Computer Support website: tricountycc.libguides.com/computingresources/moodle_support.
- Visit the Student Computer Support lab - McSwain Building Room 119
- Contact your instructor with course-specific questions
- Contact Cody Anderson, TCCC's Learning Management System Administrator:
 - help@tricountycc.edu
 - (828) 835-4287

TCCC will hold the 2015 – 2016 Graduation Commencement Ceremony on Friday, May 5, 2016.

Graduation Applications are required regardless of intent to participate in May's commencement.

The Difference Between Graduation & the Ceremony

Graduation refers to actually receiving a credential (degree, diploma, certificate) once you have been certified by the College as having met all requirements defined below.

The Graduation Ceremony is the commencement event. It is an opportunity for students, families, friends and Tri-County Community College to celebrate their academic accomplishments. Participation in the ceremony does not mean that you have graduated and you will not receive your degree/diploma/certificate until all requirements have been completed. TCCC holds one ceremony each year.

TCCC holds one commencement ceremony each year in May. Graduates from the previous summer and fall terms, as well as current spring graduates, are invited to participate. Students participating in commencement ceremonies must be scheduled to complete all requirements by the end of spring semester.

Steps to Graduation

1. COMPLETE ALL GRADUATION REQUIREMENTS

A. Program Requirements: Because the College's goal is to prepare students for a changing workplace, program requirements may change. The semester in which a student declares his or her major determines the program requirements for graduation. If there is an interruption in attendance greater than three consecutive semesters, one calendar year, the student must return under the most current catalog requirements set for their program. College Transfer (A.A. and A.S), Nursing, and Medical Assisting have specific "C" or better grade requirements. Please see each program's page for any specific program requirements.

B. Credit Hours: Semester credit hour requirements for graduation will vary with each Program of Study.

C. Current Majors: Primary/Secondary Major – To graduate from a program you must have that program declared as your major or secondary major. (i.e. To graduate from a degree, diploma, or certificate program, you must have that program declared as one of your majors. To receive a certificate, your major must be the certificate level of the program.) Students attempting two consecutive courses of study may declare a secondary major. All admissions requirements must be met for all majors and approved by the Director of Enrollment Management.

D. 25% of applicable coursework must be completed at TCCC.

E. GPA: Grade Point Average – Students must maintain a grade point average (GPA) of 2.0 and must receive a passing grade in all required courses to be eligible for graduation.

F. Complete Student File: Student Services must have an official copy of high school transcripts or GED for degree graduating students.

G. Good Financial Standing: Students must be in good financial standing at TCCC. There must be no account holds or debt owed to any TCCC department.

2. MEET WITH YOUR ADVISOR

You should meet with your faculty advisor to complete a Graduation Application. Graduation Applications are required regardless of intent to participate in May's Commencement Ceremonies.

Applications for graduation must be completed and submitted to the Registrar prior to registering for the completing semester. Students completing two or more programs must complete an application for each program.

3. SUBMIT A GRADUATION APPLICATION

You should submit a Graduation Application to the Registrar's Office prior to the established deadlines below.

- Fall Graduates – August
- Spring Graduates – November
- Summer Graduates – January

*Degrees, Diplomas, and Certificates are awarded at the end of the completing semester. Commencement Ceremonies for all graduates are held immediately following of the Spring Semester (May).

4. PAY GRADUATION FEES

- Graduation expenses include the "black" cap and gown for the Ceremony.
- Degrees/Diplomas/Certificates are complimentary.
- All other purchases are at the discretion of the graduate.

5. CONGRATULATIONS!

- After successful completion of all required coursework, the Registrar will certify all graduating students as having satisfactorily completed all graduation requirements.
- A notation of your credential along with the date of graduation/completion will be made on your TCCC transcript.
- Degrees, Diplomas, and Certificates are awarded at the end of the completing semester.
- Commencement ceremonies for all graduates are held immediately following the spring semester (May).
- Although participation in the graduation ceremony is not mandatory, all students are encouraged to attend
- ALL requirements must be completed before participating in Commencement/Graduation Ceremonies. Students completing their course work during Fall or Summer Terms are invited to participate in the following May's ceremony.
