  - Performance priority will be given to TCCC students.
  - Individuals can only compete in one act.
  - Teams may use props; these props must be included on the registration form to be approved by the TCCC SGA. Props not included on the registration form cannot be used in the performance. Fog machines, bubble machines, fire, water, and glitter are prohibited.
  - Microphones will be provided.
  - Music information must be submitted with registration form by 5:00 p.m. on October 23 to be approved by the TCCC SGA. Songs must be the clean version, no explicit versions will be accepted. Teams will be notified by October 25 whether or not they have been approved to participate.
  - The maximum time limit is four minutes per performance. After four minutes, the music will fade out. Act must be prepared to exit quickly to the their left and new acts will enter from the right.
  - The TCCC SGA reserves the right to cancel registration if the committee feels the act is inappropriate or offensive to others.
  - The competition will be judged in these categories:
    - Lip Sync Abilities:** How well the performer(s) lip-sync the lyrics of the song.
    - Creativity:** How original and creative the performance is. Instead of just standing on stage and lip-syncing a song - props, choreography, costumes and/or other ideas should be used and often impresses the judges and generates crowd response. Be creative!
    - Stage Presence & Choreography:** Again, don't just stand there! Engage the audience, dance, smile, make eye contact with the judges. . . you're a STAR -- have fun!
- Each category will be worth 15 points each. In case of a tie, the act with the highest lip sync score will win. The judges' decisions are final. Prizes will be awarded.
