IMPORTANT NOTICES

Schedule Adjustments North Carolina Administrative Code has determined that a student's refund will be limited to 75 percent after the beginning of each section through the last day of the drop/add cycle for each section. TCCC recommends the student be prepared to transact a drop/add at the same time in order to avoid a 25 percent charge.

Refund Policy A 100 percent refund will be made if you officially withdraw prior to the first day of each class, or if a course is canceled due to insufficient enrollment. A 75 percent refund will be made if you drop a class prior to or on the official 10 percent point of each section. No refunds will be issued if a student drops after the last day to drop/add for each section. NOTE: All course seats will be filled on a first-come, first-served basis.

Out of State Tuition Waiver A tuition waiver program for non-residents is available for students who are employed by a North Carolina business (GS115D-39). Any out-of-state student can qualify for in-state tuition rates if his or her employer agrees to pay the tuition charges. Tuition Waiver forms are available at the Harper Help Desk.

Early Registration The November 9 - 24 Early Registration period is designed to help TCCC students obtain a place in desired classes prior to the January 5 - 6 regular registration period.

High School Students Select TCCC classes are available for high school students. See the Guidance Counselor or Distance Learning Advisor at your high school for more information about registration and course offerings. You may also contact Samantha Major at (828) 835-4203 or smajor@tricitycc.edu for more information on how to sign up for post-secondary education classes.

Special Credit Students Special Credit, non-degree seeking students must follow registration procedures prescribed at the Student Services desk located on either campus. Please note: Non-degree seeking students are not eligible for any type of financial aid.

Placement Testing Applicants to any program of study (degree, diploma, or certificate), Career and College Promise program (CCP) for high school students, are required to demonstrate competence in English, mathematics, and computer skills. Competence can be demonstrated in one of three ways:
Have successfully completed a college level math, English, and computer course at another institution.
Have met College Readiness determination through Multiple Measures evaluation and/or have taken the SAT or ACT (Students must have SAT scores of at least: Writing 500 or Critical Reading 500 and/or 500 math; ACT Reading 22, ACT English 18, and/or ACT Math 22).
Take the Tri-County Community College placement test to be placed in the appropriate course(s) according to the college guidelines.
Placement test scores, SAT/ACT scores, and developmental courses are an acceptable form of placement for five years.

Open Door Admissions Open Door admission means that any person 18 years of age, or a high school graduate or equivalent may be accepted by the College upon presentation of transcripts and evaluation of the Multiple Measure Placement Policy adopted by the NCCCS in 2013. SAT, ACT, or TCCC placement test scores are also considerations. In addition, high school students and home school applicants who are 16 years of age or older may be admitted in accordance with the CCP policies adopted by the state of North Carolina. For more information on the admissions process, please call the Harper Help Desk at (828) 837-6810.

Textbooks Information on the textbooks required for each class can be found on the TCCC Bookstore link on the College's website.

Drug and Alcohol Policy

Tri-County Community College complies with the Drug-Free Schools and Communities Act (Amendment of 1989, Public Law 101-226) as well as the Drug-Free Workplace Act of 1988. The abuse and use of drugs and alcohol are subjects of immediate concern in our society. From a safety perspective, the users of drugs or alcohol may impair the well being of employees, students, and the public at large; drug and alcohol use may also result in damage to college property.

Therefore, it is the policy of Tri-County Community College that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or alcohol is prohibited while in the workplace, on college premises, or a part of any college sponsored activities. Any employee or student violating this policy will be subject to disciplinary action up to (and including) termination or expulsion and referral for prosecution.

1. Tri-County Community College does not differentiate between drug users and drug pushers, or sellers. Any student who gives (or in any way transfers or aids and abets in the transfer of) a controlled substance to another person or sells or manufactures or aids and abets in the sale of a manufactured or controlled substance while on College premises will be subject to disciplinary action up to, and including, suspension from school.
2. The term “controlled substance” means any drug listed in the North Carolina General Statutes or 21 U.S. C. subsection 812 and other federal regulations. Generally, these are drugs that have a high potential for abuse. Such drugs include (but are not limited to) heroin, marijuana, cocaine, PCP, and “crack.” They also include “legal drugs,” which are not prescribed by a licensed physician for this person.
3. Individual counseling sessions and educational material will be available in Student Services at all times.
4. The Student Services staff will include during ACA 111 (College Student Success) reference to drug policies, drug awareness and sources of assistance.
5. The Student Services staff will be available to lecture and assist instructional staff with class presentations to help educate students regarding alcohol and other drug use as well as the health risks of drug abuse.
6. The Student Services staff will have available referrals for treatment and more extensive assistance.
7. Student Services will assess the institutional environment annually by reviewing data from public safety, instructors and other community resources to guide program development for students.

Release of Student Records

Any student who does not wish for “Directory Information” to be released must notify Student Services in writing within 10 days after registration. Your instructor will distribute forms or you may come by the Registrar’s office. Please refer to your current General Catalog & Student Handbook for any additional information.

Graduation Policy

- Students participating in graduation must complete all requirements by the end of Spring Semester.
- Graduating students must make application for graduation by completing a form in Student Services prior to registration for the semester of their expected completion.
- Graduation expenses include black cap and gown for the ceremony. All other purchases are at the discretion of the graduate. Degrees/Diplomas/Certificates are complimentary. Diploma Covers are not, and may be purchased at the College Bookstore at any time.
