Associate in General Education

2018-2019

ASSOCIATE IN GENERAL EDUCATION (A.G.E.)

(A10300) The Associate in General Education (AGE) curriculum is designed for individuals wishing to broaden their education, with emphasis on personal interest, growth and development. The two-year General Education program provides students opportunities to study English, literature, fine arts, philosophy, social science, science and mathematics at the college level. All courses in the program are college-level courses. Many of the courses are equivalent to college transfer courses; however, the program is not principally designed for college transfer.

Students interested in the Associate in General Education must work out a program of study with a campus advisor, which also must be approved by the Registrar no later than the end of the student's first semester at the College.

Students may be required to take one or more student support courses as a result of pre-enrollment placement tests; therefore, the student may need more than the minimum number of contact hours listed for graduation.

That program of study must include at least 16 hours of general education core classes:

General Education Core (16 hours)

Composition (6 hours)

ENG 111 Writing & Inquiry

ENG 112 Writing/Research in the Disciplines **OR**

ENG 114 Professional Research and Reporting

*Humanities Gen Ed Requirement (3 hours)

*Social Science Gen Ed Requirement (3 hours)

Science/Math (4 hours)

Select one course from:

MAT (143 or higher), AST, BIO, CHM, or PHY

Other hours must be chosen from Comprehensive Articulation Agreement approved transfer courses.

TOTAL HOURS **65**

**Please see the section titled "General Education Requirements for A.A.S. programs" at the end of the Program of Study section for specific courses that fulfill these requirements.*
