

Student Complaint Process

In compliance with state regulations and the rules promulgated by the U.S. Department of Education, The University of North Carolina is committed to implementing a student complaint process that is fair, timely, and effective. This policy establishes a process by which students can initiate complaints against a post-secondary institution offering programs in the state of North Carolina when all other forums at the institutional level have been exhausted. The University of North Carolina General Administration, serving as the clearinghouse for complaints concerning post-secondary institutions that are authorized to operate in North Carolina, will act upon those complaints within its purview and forward all other complaints to the appropriate agency.

Complaints against UNC Constituent Institutions

The North Carolina General Assembly established the University of North Carolina Board of Governors as the body responsible for the oversight of the University of North Carolina, its constituent institutions and other post-secondary institutions licensed to operate in North Carolina.

The Board of Governors has formal and informal involvement with, and control over, the complaints and appeals that arise at its constituent institutions. In addition to direct involvement, the Board of Governors has also delegated authority to the constituent institutions and to the President of the University of North Carolina to receive complaints and to act on them accordingly.

Student complaints are routinely resolved at the institutional level. If there is no specific policy to appeal to the University of North Carolina Board of Governors, the President's staff at UNC General Administration maintains an open student complaint process "to review and appropriately act on complaints concerning the institution." Students from all constituent institutions may utilize the application form provided by the UNC General Administration Office of Post-Secondary Education Complaints to submit these complaints.

Complaints against Licensed Institutions, Independent Colleges and Universities, and State Community Colleges
