III. Accepted Uses

The primary purpose of annual leave is to allow and encourage employees to renew their physical and mental capabilities and to remain a fully productive employee.

Annual leave may also be requested for other periods of absence for personal reasons, absences due to adverse weather conditions and for personal illness or illnesses in the immediate family when the employee has exhausted sick leave. Annual leave must be exhausted before an employee goes on leave without pay, except in cases of the birth or adoption of a child as covered under Policy 3.2.13 – Family and Medical Leave Act.

V. Other Procedures

A. Scheduling Annual Leave

Annual leave shall be taken only upon authorization of the employee's supervisor, who shall designate such time or times when it will least interfere with the College's efficient operation. Employees must request annual leave in advance. A supervisor may deny an employee's request to use annual leave if the leave would otherwise hinder the efficient operation of the College or the employee has not provided reasonable notice of the request. Annual leave must be taken in units of one hour.

Only scheduled work hours shall be charged in calculating the amount of annual leave taken. Weekends and/or holidays are charged only if they are scheduled workdays.

B. Separation from Employment

1. Lump sum payment for annual leave is made only at the time of separation from employment. An employee shall be paid in a lump sum for accumulated annual leave not to exceed a maximum of two-hundred forty (240) hours when separated from employment from the College due to resignation, dismissal, reduction-in-force, death or service retirement. Employees retiring on disability retirement may exhaust leave rather than be paid in a lump sum.
2. If an employee separates from employment and is overdrawn on annual leave, deductions will be made from the final salary check. It will be deducted in full hour units, i.e., a full hour for any part of an hour overdrawn. As consideration for providing annual leave, employees voluntarily agree to such deductions from their final pay check.
3. Payment for annual leave may be made on the regular payroll or on a supplemental payroll, reflecting the number of days of leave and the amount of payment. Annual leave may be paid through the last full hour of unused leave.
4. Retirement deductions shall be made from all annual leave payouts.
5. The last day of work is the date of separation, except when an employee exhausts sick and annual leave before disability retirement.

C. Transfer of Annual Leave

For new employees, the College does not accept annual leave from other state agencies or local educational entities.

D. Annual Leave Records

The College shall maintain records for annual leave earned and taken for each employee. The College shall notify employees of their total annual leave balance at the end of each month. The College shall retain all annual leave records of all separated employees for a period of at least five years from the date of separation.

It is the employee's responsibility to report any discrepancy or problem with his/her sick leave balance to Human Resources.
