

**Behavioral Intervention Team (BIT)
Referral Form**

Purpose Statement: The Behavioral Intervention Team (BIT) is charged with the task of promoting a safer campus environment by effectively assessing and addressing threatening and/or concerning behavior at Tri-County Community College. BIT receives reports of disruptive, problematic, or concerning behavior; conducts an investigation; and determines the best mechanisms for support, intervention, and response. Due to federal privacy law, outcomes may not always be shared with a reporting party. However, each incident or situation brought to the BIT's attention is reviewed.
