2021-2022 Verification of Untaxed IRA/Pension and Annuity

This information is being requested because the U.S. Department of Education would like to verify if the amount of untaxed IRA/Pension and annuity listed on your 2021-2022 FAFSA was a rollover. The untaxed portion of an IRA, pension or annuity must be included as untaxed income on your financial aid application unless it was a rollover to another qualified retirement plan. A "rollover" is a tax-free distribution of cash or other assets switched from one retirement plan to another.

Please refer to your/your parent's 2019 Federal Tax Return and enter the amounts from the appropriate lines on the table below. Specify if all or some of the untaxed distribution was reinvested in another qualified retirement plan or IRA.
