

TCCC Spring 2026 Continuing Education Schedule									
Class Name		Start Time	End Time	Building	Start Dates	End Dates	Cost	Days	Description
Automotive									
	Automotive - Day	8:00AM	3:00PM	Automotive	1/7/2026	5/6/2026	\$184.60	MTWTH	Learn the fundamentals of automotive repair and maintenance, including engine systems, brakes, electrical diagnostics, and routine service procedures. This hands-on course is ideal for beginners or anyone interested in starting a career in automotive technology.Class will run concurrently with the curriculum Automotive Technology course. Space is limited and students must get instructor approval. Norman Roberts (828) 835-4334 nroberts@tricountycc.edu
	Automotive - Night	5:00PM	10:00PM	Automotive	1/7/2026	5/6/2026	\$184.60	MTWTH	Learn the fundamentals of automotive repair and maintenance, including engine systems, brakes, electrical diagnostics, and routine service procedures. This hands-on course is ideal for beginners or anyone interested in starting a career in automotive technology.Class will run concurrently with the curriculum Automotive Technology course. Space is limited and students must get instructor approval. Norman Roberts (828) 835-4334 nroberts@tricountycc.edu
	NC Inspection	8:00PM	10:00PM	Automotive	2/7/2026	2/7/2026	\$74.60	S	This course is designed to meet the training and licensing requirements (initial and/or renewal) for the Vehicle Safety and Emissions Inspection Program administered by the NC Division of Motor Vehicles, License and Theft Bureau. Upon completion, a student will understand the rules, regulations and procedures for conducting a vehicle safety emissions inspection; be able to inspect a vehicle properly; and be prepared to sit for the state certification exam. Molly Howard (828) 835-4240 mhoward@tricountycc.edu
	NC Inspection	8:00PM	10:00PM	Automotive	4/18/2026	4/18/2026	\$74.60	S	This course is designed to meet the training and licensing requirements (initial and/or renewal) for the Vehicle Safety and Emissions Inspection Program administered by the NC Division of Motor Vehicles, License and Theft Bureau. Upon completion, a student will understand the rules, regulations and procedures for conducting a vehicle safety emissions inspection; be able to inspect a vehicle properly; and be prepared to sit for the state certification exam. Molly Howard (828) 835-4240 mhoward@tricountycc.edu
Career in a Year									
For more information about our NEW Career in a Year Program, please visit https://www.tricountycc.edu/career-in-a-year/ or call (828) 837-6810!									
	Culinary Arts	1:00 PM	6:00 PM	Hospitality	1/12/2026	4/15/2026	\$189.60*	MTW	The ACF path to certification program enhances a chef’s career prospects and earning potential through recognized, stackable credentials. Certification is based on education, experience, successful completion of written and practical exams, and completion of internship requirements, establishing the industry standard for professional culinary excellence.

	Residential Building – General Carpentry	5:30 PM	9:30 PM		1/7/2026	5/6/2026	\$189.60*	MTTH	This course provides hands-on training in residential carpentry using the NCCER curriculum. Students learn framing, installation, blueprint reading, and safety practices. Successful completion leads to NCCER certification and prepares students for carpentry careers.
	Residential Electrical	5:30 PM	9:30 PM		1/7/2026	5/6/2026	\$189.60*	MTTH	This course provides training in the fundamental skills and knowledge required for entry-level electrical work. Topics include electrical theory, safety, wiring methods, circuits, and blueprint reading. Upon completion, students are prepared for employment in the electrical trade and may earn NCCER certification.
	Residential HVAC	5:30 PM	9:30 PM		1/7/2026	5/6/2026	\$189.60*	MTW	This course provides instruction in the principles and practices of heating, ventilation, air conditioning, and refrigeration (HVACR) systems. Topics include safety, tools, electrical fundamentals, system installation, maintenance, and troubleshooting. Training follows NCCER standards, preparing students for industry recognized certification and entry-level HVAC careers.
	Heavy Equipment	5:30 PM	9:30 PM		1/7/2026	5/6/2026	\$189.60*	MTTH	This course provides hands-on training in the safe operation and maintenance of heavy equipment following NCCER standards. Students learn equipment controls, earthmoving techniques, safety procedures, and site preparation skills to prepare for NCCER certification and entry-level operator positions.
	Machining	5:30 PM	9:30 PM		1/7/2026	5/6/2026	\$189.60*	MTTH	This course introduces precision machining using NIMS standards. Students learn blueprint reading, measurement, and safe operation of lathes, mills, and grinders while producing metal parts to specification and preparing for NIMS certification.
	Tuition Assistance is available- please contact our Financial Aid Department for more information at (828) 837-6810 or financialaid@tricountycc.edu								
Criminal Justice									
	Detention Officer Certificate	8:00AM	6:00PM	West	3/2/2026	4/2/2026	Waiver	MTWTHF	This certification-related Detention Officer Certification Course (DOCC) is offered under the guidelines and requirements set forth by the North Carolina Sheriffs' Education and Training Standards Commission. Properly certified State Instructors are used in all topics. Trainees must successfully pass the State-administered exam as well as demonstrate competency in all skill areas in order to be eligible for certification as a detention officer. Lecture, demonstrations, and practical exercises are the primary methods of instruction. Molly Howard (828) 835-4240 mhoward@tricountycc.edu
CPR									
	CPR/BLS	6:00PM	11:00PM	WEST	1/15/2026	1/15/2026	\$70.00	TH	The AHA’s BLS Course provides the foundation for saving lives from cardiac arrest. It teaches both single-rescuer and team basic life support skills for application in both prehospital and in-facility environments, with a focus on high-quality CPR and team dynamics. Additional \$10.00 Card Fee. Lisa Hardin - (828) 835-4257 or lhardin@tricountycc.edu

	CPR/BLS	6:00PM	11:00PM	WEST	2/5/2026	2/5/2026	\$70.00	TH	The AHA’s BLS Course provides the foundation for saving lives from cardiac arrest. It teaches both single-rescuer and team basic life support skills for application in both prehospital and in-facility environments, with a focus on high-quality CPR and team dynamics. Additional \$10.00 Card Fee. Lisa Hardin - (828) 835-4257 or lhardin@tricountycc.edu
Cosmetology									
	Costmetology Con-Ed	8:00AM	3:00PM	Crisp	1/7/2026	5/6/2026	\$184.60	MTWTH	This course is designed to provide students who have completed the curriculum program with the remaining number of hours necessary to complete the requirements for the NC Board certification. Class will run concurrently with the curriculum Cosmetology course. Space is limited and students must get instructor approval. Misty Kelischeck - (828) 835-4225 or mkelischeck@tricountycc.edu
Culinary									
	Artisan Breads & Brioche Workshop	6:00PM	9:00PM	Culinary	4/2/2026	4/9/2026	\$74.60	TH	Learn to make classic breads from scratch in this hands-on two-day workshop. Students will prepare soft dinner rolls, focaccia, French baguettes, and rich brioche. Day one focuses on everyday breads and rolls, covering mixing, kneading, shaping, proofing, and baking. Day two explores French breads and enriched doughs like brioche, emphasizing texture, flavor, and proper presentation. The workshop provides practical skills for home baking or small-scale catering. Please contact Ethan Petty for more information (828)835-4293).
	Asian Cuisine Workshop	6:00PM	9:00PM	Culinary	2/12/2026	2/19/2026	\$74.60	TH	Explore the flavors and techniques of Asian cuisine in this hands-on two-day workshop. Students will learn to make dumplings, flavorful Chinese soups, easy sushi rolls, and velveting beef stir-fry. Day one focuses on dumpling preparation and classic soups, emphasizing wrapping, pleating, steaming, and seasoning techniques. On day two, participants will prepare sushi rolls and velveting beef stir-fry, learning rice seasoning, rolling, high-heat stir-frying, and plating. The workshop emphasizes hands-on skills, flavor balance, and visually appealing presentation. Please contact Ethan Petty for more information (828)835-4293).
	Southern Cuisine Workshop	6:00PM	9:00PM	Culinary	3/5/2026	3/19/2026	\$74.60	TH	Experience the hearty, comforting flavors of Southern cooking in this hands-on three-day workshop. Each day, students will prepare a complete Southern plate with protein, vegetables, and starch. Day one features pinto soup beans, cornbread, and chow chow. Day two focuses on smothered pork chops, fried potatoes, and collard greens. Day three includes fried chicken, mashed potatoes, biscuits, and an optional vegetable side. The workshop emphasizes essential Southern techniques including frying, slow-cooking, pickling, and baking, as well as flavor layering and rustic presentation. Please contact Ethan Petty for more information (828)835-4293).
Defensive Driving									

	Intro to Dental Practices	5:30PM	8:30PM	Enloe	3/4/2026	5/9/2026	\$134.60	WTH	This hands-on course provides a foundational overview of the dental assisting profession. Students will gain practical experience through lab sessions, explore common dental materials and instruments, and develop the essential skills needed to assist in a clinical setting. Class Contact Please call Laryssa or Colleen (828-837-6810)
Education									
	Effective Teacher Training	Online	Online	Online	2/1/2026	2/28/2026	\$75.00	Online	This course offers essential training on the fundamental requirements for substitute teaching within the public-school system. Participants will gain the knowledge and skills needed to confidently manage classrooms and support student learning in a variety of educational settings. Molly Howard - (828) 835-4240 or mhoward@tricountycc.edu
	Effective Teacher Training	Online	Online	Online	5/1/2026	5/31/2026	\$75.00	Online	This course offers essential training on the fundamental requirements for substitute teaching within the public-school system. Participants will gain the knowledge and skills needed to confidently manage classrooms and support student learning in a variety of educational settings. Molly Howard - (828) 835-4240 or mhoward@tricountycc.edu
Electrical									
	Electrical Contractor License Renewal	6:00PM	9:00PM	Main Campus	2/11/2026	4/1/2026	\$79.60	W	This course is designed to provide electrical contractors with updated information on the latest changes in the National Electric Code, NC Electric Code, and local utility company requirements. The course reviews new materials and procedures and related code requirements. Class Contact Laryssa Rowland - (828) 837-6810 or lrowland@tricountycc.edu or Colleen Kelly at ckelly@tricountycc.edu
	Industrial Wiring	MW 12:30PM TTH 5:00PM	MW 3:00PM TTH 8:30PM	West	1/7/2026	5/6/2026	\$184.60	TW	Focuses on planning, layout, and installation of wiring systems in industrial facilities, with emphasis on industrial wiring methods and materials so students can install industrial systems and equipment.
EMS									
	Emergency Medical Technician Initial	6:00PM	10:00PM	West	1/12/2026	5/5/2026	\$315.60	MTW	This course will follow the guidelines established by the NC Office of EMS to prepare students to test for the State and National credential of Emergency Medical Technician-Basic. Kim Fairlie (828) 835-4215 kfairlie@tricountycc.edu
	AEMT to Paramedic Bridge	6:00PM	10:00PM	West	1/12/2026	5/13/2026	\$315.60	MTW	This course will follow the guidelines established by the NC Office of EMS to prepare students to test for the State credential of Emergency Medical Technician-Intermediate and the National Registry credential of Advanced Emergency Medical Technician. This course will be web-based with a combination of online and classroom portions, along with clinical rotations performed in the field and hospital settings. Additional costs for books, uniforms, liability insurance and comprehensive data acquisition software will be the responsibility of each student.
	EMT ConEd Respiration/Ventalation	6:00PM	10:00PM	West	1/29/2026	1/29/2026	\$70.00	TH	Topics cover respiratory distress and use of ventilation devices.
	EMT ConEd Stroke and Diabetes	6:00PM	10:00PM	West	3/26/2026	3/26/2026	\$70.00	TH	Topics include a review of stroke and diabetes diagnosis and care.

	Quarter 1 - EMS ConEd	ONLINE	ONLINE	ONLINE	1/5/2026	3/31/2026	\$70.00	Online	· Evidence Based Guidelines [0.5 Hour] · Ambulance Safety [0.5 Hour] · EMS Provider Hygiene, Safety, and Vaccinations [0.5 Hour] · EMS Culture of Safety [0.5 Hour] · Ventilation [2 Hours] · Capnography [1 Hour] · Oxygenation [0.5 Hour] · Congestive Heart Failure [0.5 Hour] · TCCC Preceptor Training [3 Hours] · Recertification Process [1 Hour] · Ventilator Transport [2 Hours]
	Quarter 2 - EMS ConEd	ONLINE	ONLINE	ONLINE	4/6/2026	6/30/2026	\$70.00	Online	Recertification topics covered include: · Cardiac Arrest [2 Hours] · Pediatric Cardiac Arrest [2.5 Hours] · Stroke [1.5 Hour] · Acute Coronary Syndrome [1 Hour] · Post-Resuscitation Care [0.5 Hour] · Ventricular Assist Devices [0.5 Hour]
	Basic Anatomy & Physiology	ONLINE	ONLINE	ONLINE	2/23/2026	5/5/2026	\$180.00	Online	This course provides a basic study of the structure and function of the human body. Topics include a basic study of the body systems as well as an introduction to homeostasis, cells, tissues, nutrition, acid-base balance, and electrolytes. Upon completion, students should be able to demonstrate a basic understanding of the fundamental principles of anatomy and physiology. This course must follow specific guidelines established by the NC Office of EMS. Molly Howard (828) 835-4240 or Kim Fairlie (828) 835-4215 kfairlie@tricountycc.edu
FIRE									
2026 Fire Apparatus Driver Operator/Aerial Workforce Certificate Program									
	TIMS FIP-7000	6:00PM	10:00PM	West	3/4/2026	3/4/2026	Waiver	W	consistent training of all responders to achieve the three objectives of the Traffic Incident Management (TIM) National Unified Goal: responder safety; safety, quick clearance from incidents; and prompt, reliable, interoperable communications. This course will familiarize fire and rescue personnel with the purpose of the Strategic Highway Research Program 2 (SHRP2) and National TIM Responder Training Program and how it relates specifically to North Carolina. Participants will learn to recognize and identify the dangers encountered by emergency responders working in or near traffic. This course is not a state fire & rescue certification course; however, it is a requirement related to one or more state certifications and will transfer

	Emergency Vehicle Driver	6:00PM *8:00AM	11:00PM 6:00PM*	West	3/10/2026	3/14/2026	Waiver	TWTH *S	This course deals with the safe operation of emergency vehicles, driving skills, legal implications of emergency driving, departmental standard operating procedures, and abilities to satisfy the key requirements of NFPA 1002: Standard for Fire Apparatus Driver/Operator Professional Qualifications (2017 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/NFPA 1002 Standard, 2017 edition. Please contact Henry Angelopulos (828)835-4251 for more information.
	Pumps Introduction/Basic Operations FIP-3623	6:00PM *8:00AM	11:00PM 6:00PM*	West	3/23/2026	4/18/2025	Waiver	MW *S	This course includes an overview of the types of apparatus equipped with fire pumps, apparatus safety, positioning, basic operations, and the abilities to satisfy the key requirements of NFPA 1002: Standard for Fire Apparatus Driver/Operator Professional Qualifications (2017 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/NFPA 1002 Standard, 2017 edition. Please contact Henry Angelopulos (828)835-4251 for more information.
	Pumps Hydraulics and Water Supply FIP-3624	6:00PM *8:00AM	11:00PM 6:00PM*	West	4/20/2026	5/9/2026	Waiver	MW *S	This course includes an overview of fire pump theories, water supply sources, hydraulic fundamentals, relay and water shuttle operations, foam systems, and the abilities to satisfy the key requirements of NFPA 1002: Standard for Fire Apparatus Driver/Operator Professional Qualifications (2017 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/NFPA 1002 Standard, 2017 edition. Please contact Henry Angelopulos (828)835-4251 for more information.
	Pumps, Sprinklers, Standpipes, Maintenance and Testing - FIP-3625	6:00PM	10:00PM	West	5/13/2026	6/3/2026	Waiver	MW	This course includes apparatus inspection, maintenance, testing, sprinkler and standpipe connections, and the abilities to satisfy the key requirements of NFPA 1002: Standard for Fire Apparatus Driver/Operator Professional Qualifications (2017 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/ NFPA 1002 Standard, 2017 edition. Please contact Henry Angelopulos (828)835-4251 for more information.

	Aerial Apparatus Series FIP-3626	6:00PM *8:00AM	11:00PM 6:00PM*	West	6/22/2026	7/20/2026	Waiver	MWTHS	This course will present the Driver Operator with information related directly to aerial operations as well as all the information required to meet the knowledge, skills, and abilities to satisfy the key requirements of NFPA 1002: Standard for Fire Apparatus Driver/Operator Professional Qualifications (2017 edition). FIP-3626 transfers the complete series, in its entirety, to the Office of State Fire Marshal (OSFM). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/ NFPA 1002 Standard, 2017 edition. Please contact Henry Angelopoulos (828)835-4251 for more information.
	Mobile Water Supply Apparatus FIP-3627	6:00PM	10:00PM	West	9/14/2026	10/1/2026	Waiver	MWTH	This course will present the Driver Operator with information related directly to mobile water supply operations as well as all of the information required to meet the knowledge, skills, and abilities to satisfy the key requirements of NFPA 1002: Standard for Fire Apparatus Driver/Operator Professional Qualifications (2017 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/NFPA 1002 Standard, 2017 edition. Please contact Henry Angelopoulos (828)835-4251 for more information.
2026 Firefighter Workforce Certification Program									
	General and Communications (This course includes instructional content for Orientation and Fire Service Communications) FIP-3040	6:00PM	11:00PM	Emergency Services Training Center	1/6/2026	1/20/2026	Waiver	TTH	This course includes instructional content for Orientation and Fire Service Communications. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001: Standard for Firefighter Professional Qualifications (2019 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/2019 Edition NFPA Standard. Please contact Henry Angelopoulos (828)835-4251 for more information.
	Fireground Ops 1(This course includes instructional content for Firefighter Health & Safety) - FIP-3041	6:00PM	11:00PM	Emergency Services Training Center	1/22/2026	2/5/2026	Waiver	TTH	This course includes instructional content for Firefighter Health & Safety. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001. In this class, students will learn the importance of personal health and well being in the fire service, physical fitness requirements, safety during emergency response, safety on active fire scenes and securing utilities. Please contact Henry Angelopoulos (828)835-4251 for more information.

	Fireground Ops 2 (This course includes instructional content for Personal Protective Equipment (PPE) FIP-3042	6:00PM	11:00PM	Emergency Services Training Center	2/10/2026	2/26/2026	Waiver	TTH	This course includes instructional content for Personal Protective Equipment (PPE). This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001. Students in this class will learn proper donning and doffing techniques for PPE, limitations of PPE, inspection and maintenance of PPE, importance of respiratory protection, limitations and maintenance of SCBA and cleaning of SCBA and PPE. Please contact Henry Angelopulos (828)835-4251 for more information.
	Fireground Ops 3 (This course includes instructional content for Building Constructions, Portable Extinguishers and Fire Behavior) FIP-3043	6:00PM	11:00PM	Emergency Services Training Center	3/3/2026	3/19/2026	Waiver	TTH	This course includes instructional content for Building Constructions, Portable Extinguishers, and Fire Behavior. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001. In this class, students will learn the chemistry of fire, products of combustion, different types and uses of fire extinguishers, solid-fuel fire development, smoke reading, types of construction materials and different types of construction. Please contact Henry Angelopulos (828)835-4251 for more information.
	Fireground Ops 4 (This course includes instructional content for Tools & Forcible Entry and Loss Control) FIP-3044	8:00AM	7:00PM 6:00PM-11:00PM	Emergency Services Training Center	3/24/2026	4/2/2026	Waiver	TTHS	This course includes instructional content for Tools & Forcible Entry and Loss Control. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001. In this course, students will learn about general tool safety, different types of forcible entry tools, door construction, glass construction, types of locks, through the lock techniques, breaching walls, scene lighting methods, salvage and overhaul tools, air monitoring and evidence preservation. Please contact Henry Angelopulos (828)835-4251 for more information.
	Fireground Ops 5 (This course includes instructional content for Ladders and Ventilation) FIP-3045	8:00AM	7:00PM 6:00PM-11:00PM	Emergency Services Training Center	4/14/2026	4/28/2026	Waiver	TTHS	This course includes instructional content for Ladders and Ventilation. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001. In this class students will learn the importance of vertical, horizontal and hydraulic ventilation, size up, mechanical ventilation, ventilation techniques, types of roof cuts, ventilation equipment maintenance, ladder construction, types of ladders, ladder safety and raising ladder techniques. Please contact Henry Angelopulos (828)835-4251 for more information.

	Fireground Ops 6 (This course includes instructional content for Ropes & Knots and Search & Rescue) FIP-3046	8:00AM	6:00PM *6:00PM-11:00PM	Emergency Services Training Center	4/30/2026	5/12/2026	Waiver	TTHS	This course includes instructional content for Ropes & Knots and Search & Rescue. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001: Standard for Firefighter Professional Qualifications (2019 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/2019 Edition NFPA Standard. Please contact Henry Angelopulos (828)835-4251 for more information.
	Fireground Ops 7 (This course includes instructional content for Water Supplies) FIP-3047	6:00PM	11:00PM	Emergency Services Training Center	5/14/2026	5/26/2026	Waiver	TTHS	This course includes instructional content for Water Supplies. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001: Standard for Firefighter Professional Qualifications (2019 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/2019 Edition NFPA Standard. Please contact Henry Angelopulos (828)835-4251 for more information.
	Fireground Ops 8 (This course includes instructional content for Hose, Streams and Appliances) FIP-3048	8:00AM	6:00PM *6:00PM-11:00PM	Emergency Services Training Center	5/28/2026	6/11/2026	Waiver	TTH	This course includes instructional content for Hose, Streams, and Appliances. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001: Standard for Firefighter Professional Qualifications (2019 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/2019 Edition NFPA Standard. Please contact Henry Angelopulos (828)835-4251 for more information.
	Safety & Survival (This course includes instructional content for Mayday and FF Safety & Survival)	6:00PM	11:00PM	Emergency Services Training Center	6/16/2026	6/30/2026	Waiver	TTH	This course includes instructional content for Mayday and FF Safety & Survival. This course will present the candidate with the knowledge, skills, and abilities to satisfy the key requirements of NFPA 1407. Students in this course will learn risk/benefit analysis, safe operating procedures, accountability, initiating a MAYDAY, maintaining orientation, self-rescue, air management, use of RIT and rehabilitation. Please contact Henry Angelopulos (828)835-4251 for more information.

	Rescue Ops 1 (This course includes instructional content for Rescue) FIP-6413	8:00AM	6:00PM *6:00PM-11:00PM	Emergency Services Training Center	7/2/2026	7/21/2026	Waiver	TTH	This course includes instructional content for Rescue. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001: Standard for Firefighter Professional Qualifications (2019 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/2019 Edition NFPA Standard. Please contact Henry Angelopulos (828)835-4251 for more information.
	Fire and Life Safety Initiatives (This course includes instructional content for Fire Detection & Suppression Systems and Fire and Life Safety Initiatives) FIP-3051	6:00PM	11:00PM	Emergency Services Training Center	7/23/2026	8/11/2026	Waiver	TTH	This course includes instructional content for Fire Detection & Suppression Systems and Fire and Life Safety Initiatives. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001: Standard for Firefighter Professional Qualifications (2019 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/2019 Edition NFPA Standard. Please contact Henry Angelopulos (828)835-4251 for more information.
	Emergency Medical Care FIP-7001	6:00PM	10:00PM	Emergency Services Training Center	8/13/2026	8/20/2026	Waiver	TTH	This certification-related course is designed to give the candidate a basic understand of emergency medical care. Please contact Henry Angelopulos (828)835-4251 for more information.
	TIMS FIP-7000	6:00PM	10:00PM	Emergency Services Training Center	8/25/2026	8/25/2026	Waiver	T	This course is designed to establish the foundation and promote consistent training of all responders to achieve the three objectives of the Traffic Incident Management (TIM) National Unified Goal: responder safety; safety, quick clearance from incidents; and prompt, reliable, interoperable communications. This course will familiarize fire and rescue personnel with the purpose of the Strategic Highway Research Program 2 (SHRP2) and National TIM Responder Training Program and how it relates specifically to North Carolina. Participants will learn to recognize and identify the dangers encountered by emergency responders working in or near traffic. This course is not a state fire & rescue certification course; however, it is a requirement related to one or more state certifications and will transfer
