

FALL 2026

CONTINUING

EDUCATION

SCHEDULE

AUTOBODY

Introduction to Autobody Repair

This course provides students with the foundational knowledge and hands-on skills needed to begin working in the collision repair industry. Students learn shop safety, proper use of hand and power tools, vehicle construction, damage assessment, and basic repair techniques

Days: WTH | 5:00 PM - 9:00 PM | 8/26/26 - 10/1/26

CCAT \$130.60

Intermediate Autobody Repair

This course builds on foundational collision repair skills by providing hands-on training in panel repair and replacement, welding, dent removal, metal finishing, surface preparation, and refinishing techniques. Emphasis is placed on industry-standard repair procedures, shop safety, and quality workmanship to prepare students for employment in the collision repair industry or advanced training.

Days: MT | 5:00 PM - 9:00 PM | 10/5/26 - 12/15/26

CCAT \$130.60

Automotive Technology

Automotive Continuing Education Learn the fundamentals of automotive repair and maintenance, including engine systems, brakes, electrical diagnostics, and routine service procedures. This hands-on course is ideal for beginners or anyone interested in starting a career in automotive technology.

Class will run concurrently with the curriculum Automotive Technology course. Space is limited and students must get instructor approval.

Days: MTWTH | 8:00 AM - 3:00 PM | 8/17/26 - 12/17/26

Main Campus \$184.60

NC Vehicle Safety Inspection Certification

This course is designed to meet the training and licensing requirements (initial and/or renewal) for the Vehicle Safety and Emissions Inspection Program administered by the NC Division of Motor Vehicles, License and Theft Bureau. Upon completion, a student will understand the rules, regulations and procedures for conducting a vehicle safety emissions inspection; be able to inspect a vehicle properly; and be prepared to sit for the state certification exam.

Days: S | 6:00 AM - 10:00 PM | 8/15/26 - 8/15/26

Main Campus \$74.60

Days: S | 6:00 PM - 10:00 PM | 11/7/26 - 11/7/26

Main Campus \$74.60

BUSINESS TECHNOLOGY

Notary Public

This course provides instruction to individuals who want to become commissioned as a Notary Public. Topics include legal, ethical, and procedural requirements of the Notary Act. To be admitted to this course, the NC Secretary of State requires that all candidates be able to speak, read, and write in English, and present a valid government photo ID. See www.sosnc.com for additional requirements. Upon completion of this course with a passing exam grade of 80 percent, a person is eligible to make application with the NC Secretary of State office.

For more information, go to www.secretary.state.nc.us/notary/. Must present a valid, current government or state issued ID in order to attend class.

Days: W | 9:00AM - 5:00PM | 10/26/26 - 10/26/26

Main Campus \$79.60 + Book Cost

eNotary

This course is a Notary Public who notarizes documents electronically. One of the methods employed by eNotaries is the use of a digital signature and digital notary seal to notarize digital documents and validate with a digital certificate. Also known as remote online notarization (RON), electronic notarization is a process whereby a notary affixes an electronic signature and notary seal using a secure Public key to an electronic document. Must have Notary license to attend this class.

Days: W | 5:00PM - 8:30PM | 9/23/26 - 9/23/26

Main Campus \$79.60 + Book Cost

COLLEGE & CAREER READINESS

Adult Secondary Education (ASE)

This course is designed for adult learners seeking to complete their high school education through GED®, HiSET®, MPHSE, or Adult High School pathways. Students will receive individualized instruction in reading, writing, math, science, and social studies, tailored to their academic level and goals. The class focuses on building the skills necessary to pass high school equivalency exams or complete required credits for a high school diploma. Whether preparing for standardized testing or finishing diploma coursework, students benefit from supportive instructors, flexible learning options, and access to career and college transition resources. This program empowers adults to achieve educational milestones and open doors to employment, college, or vocational training opportunities.

Days: Online | 8/15/26 - 12/31/26

No Cost

Days: MTWTH | 8:00AM - 3:00PM | 8/17/26 - 12/17/26

Main Campus No Cost

Days: T | 9:00AM - 2:00PM | 8/17/26 - 12/17/26

Days: TH | 8:00AM - 3:00PM | 8/17/26 - 12/17/26

Graham County Campus No Cost

FALL 2026 // CONTINUING EDUCATION

English as a Second Language (ESL)

This course is designed for non-native English speakers who want to improve their skills in speaking, listening, reading, and writing in English. Students will build vocabulary, strengthen grammar, and develop practical communication skills for everyday life, work, and education. Instruction is tailored to all proficiency levels and focuses on real-world language use in a supportive, interactive environment. Whether you are just beginning or looking to refine your English skills, this class will help you gain confidence and fluency.

Days: WTH | 8:00AM - 3:00PM | 8/19/26 - 12/17/26
Main Campus No Cost

Days: M | 1:00PM - 4:00PM | 8/17/26 - 12/14/26
Andrews Pregnancy and Parenting Center No Cost

Days: T | 9:00AM - 3:00PM | 8/18/26 - 12/15/26
Graham County Campus No Cost

Adult Basic Education

This course is designed for adult learners who need to strengthen foundational skills in reading, writing, and math. Tailored to individuals functioning below the high school level, the class provides personalized instruction focused on building core competencies essential for daily life, employment, and further education. Whether you're aiming to enhance job readiness, improve communication skills, or prepare for high school equivalency exams, ABE offers a supportive learning environment and practical skill-building to help you move confidently toward your personal and professional goals.

Days: TTH | 10:00AM - 2:00PM | 8/18/26 - 11/19/26
Main Campus No Cost

Days: MTWTHF | 9:00AM - 3:00PM | 8/17/26 - 12/18/26
IOI No Cost

Human Resource Development Employability Lab HCVR

This lab offers an opportunity to drop in between the provided hours or receive assistance online with resumes, job applications, interviewing techniques, career exploration, and anything else career related.

Days: T | 10:00AM - 3:00PM | 8/17/26 - 12/17/26
Main Campus No Cost

Days: MTWTH | 8:00AM - 6:00PM | 8/17/26 - 12/17/26
Clay County School System
Graham County Campus
Unaka
CCSC Cherokee

Days: MTTHF | 8:00AM - 6:00PM | 8/17/26 - 9/29/26
Harrah's Cherokee Valley River Casino

CONSTRUCTION TRADES

Electrical Continuing Education

Focuses on planning, layout, and installation of wiring systems in industrial facilities, with emphasis on industrial wiring methods and materials so students can install industrial systems and equipment.

Class will run concurrently with the curriculum Electrical course.

Days: MTWTH | 5:00PM - 9:00PM | 8/17/26 - 12/17/26
Main Campus \$184.60

Electrical Contractor License Renewal

This course is designed to provide general contractors with the required continuing education hours to renew their N.C. General Contractors License. The course reviews new materials, procedures, and related changes in the laws, rules, and other content applicable to general contracting.

Days: W | 6:00PM - 9:00PM | 9/9/26 - 11/14/26
Main Campus \$79.60

General Contractor License Renewal

This course is designed to provide general contractors with the required continuing education hours to renew their N.C. General Contractors License. The course reviews new materials, procedures, and related changes in the laws, rules, and other content applicable to general contracting.

Days: MT | 5:00PM - 9:00PM | 9/28/26 - 9/29/26
Main Campus \$102.60

Days: MT | 5:00PM - 9:00PM | 11/9/26 - 11/10/26
Main Campus \$102.60

Plumbing

This course introduces basic plumbing tools, materials and fixtures. Topics include standard tools, materials and fixtures used in basic plumbing systems and other related topics. Upon completion, the student should be able to demonstrate an understanding of a basic plumbing system.

Days: MT | 5:00PM - 9:00PM | 9/7/26 - 12/15/26
CCAT \$125.60

FALL 2026 // CONTINUING EDUCATION

CULINARY

Artisan Bread Baking

This course builds on skills developed in Bread Baking focusing on advanced breads and techniques. Students prepare sourdough and artisan-style loaves while developing hands-on skills in starter maintenance, long fermentation, shaping, and baking methods used in professional bakeries.

Days: TH | 1:00PM - 5:00PM | 9/10/26 - 9/10/26

Main Campus \$74.60

Eastern European Cuisine

This course introduces traditional Eastern European cooking techniques and ingredients. Students prepare dishes such as pierogies, goulash, latkes, and cabbage rolls while developing hands-on skills in ingredient preparation, cooking methods, and regional techniques.

Days: TH | 1:00PM - 5:00PM | 9/24/26 - 9/24/26

Main Campus \$74.60

COSMETOLOGY

Cosmetology Continuing Education

This course is designed to provide students who have completed the curriculum program with the remaining number of hours necessary to complete the requirements for the NC Board certification.

Class will run concurrently with the curriculum Cosmetology course. Space is limited and students must get instructor approval.

Days: MTWTH | 8:00AM - 3:00PM | 8/17/26 - 12/17/26

Main Campus \$184.60

DEFENSIVE DRIVING

Defensive Driving

This four-hour National Safety Council -approved class focuses upon attitudes and actions vital to driving safely and defensively, as well as avoiding collisions and traffic citations. Successful completion of this class may prevent assessment of insurance points or insurance premiums surcharges on your insurance policy and/or points on your NC driver's license. Students must pre-register and pre-pay. Walk-ins will not be accepted for any reason. Registration should be in person at the College at least three days before the class date. The 95.00 fee can be paid only with cash, money order, or certified bank check.

Note: The National Safety Council is also very strict that latecomers not be admitted into class regardless of the reason. Any prepaid student who arrives late will not only miss the class but also lose his or her money. There will be no refunds for "no-shows". This is a self-supporting class. There will be no fee exemptions regardless of age.

Defensive Driving (DDC-4) classes will be offered on Saturdays at the Main Campus and our Graham County Campus.

Days: S | 9:00AM - 1:00PM | 8/22/26 - 8/22/26

Graham County Campus \$95.00

Days: S | 9:00AM - 1:00PM | 10/3/26 - 10/3/26

Main Campus \$95.00

Days: S | 9:00AM - 1:00PM | 11/7/26 - 11/7/26

Main Campus \$95.00

Days: S | 9:00AM - 1:00PM | 12/5/26 - 12/5/26

Main Campus \$95.00

EDUCATION

Effective Teacher Training

This course offers essential training on the fundamental requirements for substitute teaching within the public-school system. Participants will gain the knowledge and skills needed to confidently manage classrooms and support student learning in a variety of educational settings

Days: Online | 11/1/26 - 11/30/26

Online \$75.00

EMS

Anatomy & Physiology

This course provides a basic study of the structure and function of the human body. Topics include a basic study of the body systems as well as an introduction to homeostasis, cells, tissues, nutrition, acid-base balance, and electrolytes. Upon completion, students should be able to demonstrate a basic understanding of the fundamental principles of anatomy and physiology. This course must follow specific guidelines established by the NC Office of EMS.

Days: Online | 9/14/26 - 11/6/26

\$180.60

EMT Continued Education

The ongoing training that Emergency Medical Technicians must complete to maintain their certification and stay current with evolving medical standards, protocols, and technologies.

Days: TH | 6:00PM - 10:00PM | 9/17/26 - 9/17/26

Main Campus \$70.00/Waiver

Days: TH | 6:00PM - 10:00PM | 9/24/26 - 9/24/26

Main Campus \$70.00/Waiver

The Advanced Medical Life Support (AMLS)

This course is a premier education program from the National Association of EMTs (NAEMT) designed to help healthcare providers systematically assess and manage common medical crises. Endorsed by the National Association of EMS Physicians (NAEMSP), it emphasizes a "think outside the box" methodology to move from basic assessment to a refined differential.

Days: MT | 9:00AM - 5:00PM | 11/2/26 - 11/3/26

Main Campus \$70.00/Waiver

FALL 2026 // CONTINUING EDUCATION

Pediatric Advanced Life Support (PALS)

This course uses a series of videos and simulated pediatric emergencies to reinforce the important concepts of a systematic approach to pediatric assessment, basic life support, PALS treatment algorithms, effective resuscitation, and team dynamics.

Days: MT | 9:00AM - 5:00PM | 10/26/26 - 10/27/26

Main Campus \$70.00/Waiver

The Emergency Pediatric Care (EPC)

This course is a premier continuing education program from the National Association of EMTs (NAEMT). It is designed to help prehospital providers—from EMTs to Physicians—improve their physical assessment and treatment of sick or injured children.

Days: MT | 9:00AM - 5:00PM | 10/26/26 - 10/27/26

Main Campus \$70.00/Waiver

Tactical Emergency Casualty Care (TECC)

This course teaches EMS practitioners and other prehospital providers how to respond to and care for patients in a civilian tactical environment. Developed by the National Association of EMTs (NAEMT), it adapts military Tactical Combat Casualty Care (TCCC) lessons for civilian use, accounting for diverse patient populations (including pediatrics) and local legal scopes of practice.

Days: MT | 9:00AM - 5:00PM | 11/9/26 - 11/10/26

Main Campus \$70.00/Waiver

Prehospital Trauma Life Support (PHTLS)

This course is a globally recognized continuing education program developed by the National Association of EMTs (NAEMT) in cooperation with the American College of Surgeons' Committee on Trauma. It focuses on improving the quality of trauma care and decreasing mortality by teaching a systematic approach to the multi-system trauma patient.

Days: MT | 9:00AM - 5:00PM | 10/19/26 - 10/20/26

Main Campus \$70.00/Waiver

AEMT to Paramedic Bridge (Capstone)

This course will follow the guidelines established by the NC Office of EMS to prepare students to test for the State credential of Emergency Medical Technician-Intermediate and the National Registry credential of Advanced Emergency Medical Technician. This course will be web-based with a combination of online and classroom portions, along with clinical rotations performed in the field and hospital settings. Additional costs for books, uniforms, liability insurance and comprehensive data acquisition software will be the responsibility of each student. This is the third and final section of the paramedic class.

Days: MT | 8:00AM - 6:00PM | 10/15/26 - 12/9/26

Main Campus \$70.00/Waiver

Quarter 4 EMS Continuing Education

The structured, ongoing training that paramedics must complete to maintain certification, stay current with advanced medical practices, and deliver high-quality prehospital care.

Days: Online | 10/5/26 - 12/16/26

Main Campus \$70.00/Waiver

FIRE

2026 Fire Apparatus Driver Operator/Aerial Workforce Certificate Program

Mobile Water Supply Apparatus FIP-3627

This course will present the Driver Operator with information related directly to mobile water supply operations as well as all of the information required to meet the knowledge, skills, and abilities to satisfy the key requirements of NFPA 1002: Standard for Fire Apparatus Driver/Operator Professional Qualifications (2017 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/ NFPA 1002 Standard, 2017 edition.

Days: MWTH | 6:00PM - 10:00PM | 9/14/26 - 10/1/26

Main Campus - West Building \$70.00/Waiver

FALL 2026 // CONTINUING EDUCATION

TIMS FIP-7000

This course is designed to establish the foundation for and promote consistent training of all responders to achieve the three objectives of the Traffic Incident Management (TIM) National Unified Goal: responder safety; safety, quick clearance from incidents; and prompt, reliable, interoperable communications. This course will familiarize fire and rescue personnel with the purpose of the Strategic Highway Research Program 2 (SHRP2) and National TIM Responder Training Program and how it relates specifically to North Carolina. Participants will learn to recognize and identify the dangers encountered by emergency responders working in or near traffic. This course is not a state fire & rescue certification course; however, it is a requirement related to one or more state certifications and will transfer electronically to the Office of State Fire Marshal (OSFM) for inclusion on OSFM transcripts. Please contact OSFM for details

Days: H | 6:00PM - 10:00PM | 8/25/26 - 8/25/26

Emergency Services Training Center \$70.00/Waiver

Hazardous Materials FIP-3556

This course is designed to cover initial response objectives to a hazardous materials incident. This block will present the candidate with the knowledge, skills, and ability to satisfy the requirements of OSHA 1910.120 and Chapters 4, 5, 6.2, and 6.6 of NFPA 1072: Standard for Hazardous Materials/ Weapons of Mass Destruction Emergency Response Personnel Professional Qualifications (2017 edition).

Days: MS | 8:00AM - 6:00PM | 8/24/26 - 9/21/26

Emergency Services Training Center \$70.00/Waiver

Fireground Ops 9 (This course includes instructional content for Fire Control) FIP-3049

This course includes instructional content for Fire Control. This course will present the candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1001: Standard for Firefighter Professional Qualifications (2019 edition). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/2019 Edition NFPA Standard.

Days: TTHS | 8:00AM - 6:00PM | 9/29/26 - 10/20/26

***6:00PM-11:00PM 9/29/26 - 10/20/26**

Emergency Services Training Center \$70.00/Waiver

TR Heavy Vehicle Rescue (FRC 1211)

This Technical Rescuer (TR) Heavy Vehicle Rescue series will present the Technical Rescuer with the knowledge, skills, and abilities to satisfy the requirements of Chapter 9 (Heavy Vehicle Rescue) of NFPA 1006-2021 edition: Standard for Technical Rescue Professional Qualifications. This course will be offered consistent with the most current NC Fire and Rescue Commission guidelines.

Days: TTH | 6:00PM - 11:00PM | 9/24/26 - 10/15/26

Emergency Services Training Center \$70.00/Waiver

TR Confined Space (FRC 1206)

The Technical Rescuer (TR) Confined Space Rescue series will present the Technical Rescuer with the knowledge, skills, and abilities to satisfy the requirements of Chapter 7 (Confined Space Rescue) of NFPA 1006-2021 edition: Standard for Technical Rescue Professional Qualifications. This course will be offered consistent with the most current NC Fire and Rescue Commission guidelines.

Days: MTWTHF | 8:00AM - 7:00PM |

11/12/26, 11/13/26, 11/16/26, 11/17/26, 11/18/26

Emergency Services Training Center

\$70.00/Waiver

TR Ropes Awareness (FRC 1202)

This certification-related course in rope rescue (awareness level)

will present the Technical Rescuer (TR) with an introduction to rope rescue, size-up, hazards associated with rope rescue, supporting the operations, initiating a response, and technician level rescue incident. This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines. Contact the Office of State Fire Marshal (OSFM) for details.

Days: TTH | 6:00PM - 11:00PM | 10/20/26 - 10/22/26

Emergency Services Training Center

\$70.00/Waiver

TR Ropes Operations (FRC 1203)

This certification-related course in rope rescue (operations level) will present the Technical Rescuer (TR) with the development of incident action plans, hazard specific PPE, rescue equipment, ropes and knots, principles of rigging, anchors, fall protection and belay operations, patient evacuation, lowering systems, mechanical advantage systems and working suspension. This course will be offered consistent with the most current NC Fire and Rescue Commission guidelines.

Days: TTH | 6:00PM - 11:00PM | 10/27/26 - 11/19/26

Emergency Services Training Center

\$70.00/Waiver

TR Ropes Technician (FRC 1204)

This certification-related course in rope rescue (technician level) will present the Technical Rescuer (TR) to horizontal systems, personal vertical skills, pickoff and litter management, and special rescue disciplines. This course will be offered consistent with the most current NC Fire and Rescue Commission guidelines.

Days: TTH | 6:00PM - 11:00PM | 12/1/26 - 12/22/26

Emergency Services Training Center

\$70.00/Waiver

FALL 2026 // CONTINUING EDUCATION

HEALTH OCCUPATIONS

CPR

The 2026 AHA's BLS Course provides the foundation for saving lives from cardiac arrest. It teaches both single-rescuer and team basic life support skills for application in both prehospital and in-facility environments, with a focus on high-quality CPR and team dynamics.

Additional \$10.00 Card Fee.

Days: TH | 6:00PM - 10:00PM | 9/3/26 - 9/3/26

Main Campus \$70.00 + Card Fee

Days: TH | 6:00PM - 10:00PM | 10/1/26 - 10/1/26

Main Campus \$70.00 + Card Fee

Intro to Dental Practices

This hands-on course provides a foundational overview of the dental assisting profession. Students will gain practical experience through lab sessions, explore common dental materials and instruments, and develop the essential skills needed to assist in a clinical setting.

Days: WTH | 5:30PM - 8:30PM | 9/2/26 - 11/5/26

Main Campus \$134.60

Nursing Assistant I Accelerated

This course includes training on providing personal care, feeding and rehabilitation of patients, infection control, vital signs, communication, and emergencies. Students are prepared to take the Certification Examination necessary for listing on the Nurse Aide Registry.

Days: MW | 8:30AM - 4:30PM | 8/17/26 - 11/9/26

CCAT \$230.60 + Book and Workbook Required.

PUBLIC SAFETY TRAINING

Surviving the First 3 Seconds

Take back control and enhance your safety measures through a five-pronged approach. This course will empower you to:

- Recognize body language and clothing indicators of armed suspects
- Master street-level interview and lie detection skills
- Understand verbal pre-assaultive indicators
- Effectively communicate to recognize and assess threats quickly

Days: TWTH | 8:00AM - 5:00PM | 11/3/26 - 11/5/26

Main Campus \$70.00/Waiver

REAL ESTATE

REAL ESTATE Provisional Broker

This course is required to satisfy the educational requirements for a provisional broker and is designed to prepare the student to pass the real estate license examination administered by the NC Real Estate Commission. Topics include basic real estate principles and practices, law and contracts, financing closing valuation, fair housing, and real estate laws.

Days: MW | 5:00PM - 9:00PM | 9/9/26 - 12/2/26

Main Campus \$189.60 + Book (\$30.00)

REAL ESTATE Update and Elective

Mandatory update and elective course for Real Estate professionals. 8 hrs. Once the minimum number of students is met, we will call you to schedule the class.

Days: W | 9:00AM - 5:00PM | 8/26/26 - 8/26/26

Main Campus \$79.60

Days: MW | 5:00PM - 9:00PM | 9/14/26 - 9/16/26

Main Campus \$79.60

FALL 2026 // CONTINUING EDUCATION

TRUCK DRIVER TRAINING

Truck Driver Training

This class is designed to teach students to drive tractor-trailers and trucks and to obtain a commercial drivers license (Class A and Class B). The program will prepare the prospective driver to understand safety, driver responsibility, and also the laws and regulations governing the motor carrier industry.

Days: MTWTH | 8:00AM - 5:00PM
MTWTH | 5:30PM - 10:30PM

Main Campus

TABLE GAMING

Craps

This course introduces participants to the fundamentals of the game, including rules, procedures, dice handling, table operations, payouts, and proper casino dealing techniques. Emphasis is placed on accuracy, customer service, and compliance with gaming regulations.

Days: TWTH | 10/6/26 - 11/19/26

Harrah's Cherokee Valley River Casino \$180.60

Blackjack

This required certification prepares individuals to competently deal table games while developing a thorough understanding of gaming laws, regulations, and industry standards. Participants gain practical skills in table game operations, table management, and the proper use of gaming tools and equipment, preparing them for employment in the gaming industry.

Days: MTWTHF | 8/17/26 - 9/16/26

Harrah's Cherokee Valley River Casino \$180.60

Baccarat

This course introduces participants to the fundamentals of the game, including rules, procedures, dealing techniques, table operations, payouts, and gaming regulations. Emphasis is placed on accuracy, professionalism, and the skills needed to perform as a casino table games dealer.

Days: MTWTHF | 11/2/26 - 11/20/26

Harrah's Cherokee Valley River Casino

Poker

This course introduces participants to the fundamentals of poker, including game rules, hand rankings, dealing procedures, table operations, and casino standards. Emphasis is placed on accuracy, professionalism, customer service, and the skills needed to operate poker tables in a gaming environment.

Days: MTWTHF | 9/14/26 - 10/23/26

Harrah's Cherokee Valley River Casino

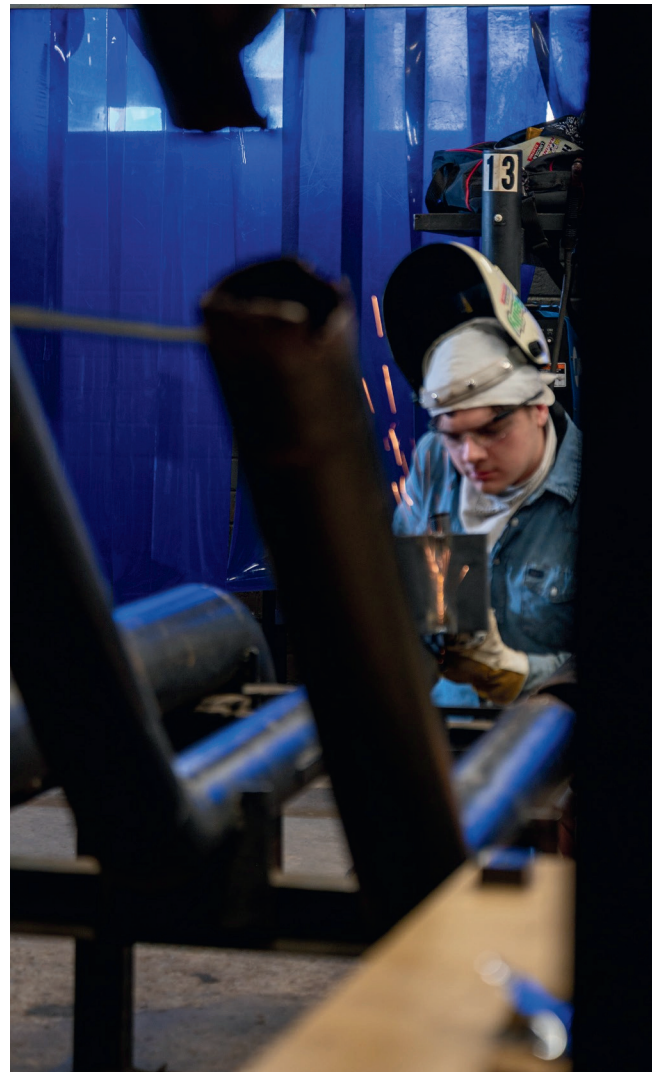

WELDING

Welding Continuing Education

This course provides instruction on the principles and practices of welding. Emphasis is on the blueprint reading, metallurgy, welding inspection, and destructive and non-destructive testing. Course content will be specific to a particular welding process such as SMAW (stick), GMAW (MIG), and GTAW (TIG). Upon completion, students will have the knowledge base to sit for various industry-specific certifications. Runs concurrently with curriculum labs. Must meet with Instructor before registering.

Days: MTWTH | 8:00AM - 2:00PM | 8/17/26 - 12/17/26

Main Campus \$184.60

FALL 2026 // CONTINUING EDUCATION // GRAHAM COUNTY CAMPUS

GRAHAM COUNTY CONTINUING EDUCATION

Class B CDL

This course prepares students to safely operate single commercial vehicles, such as buses, dump trucks, and delivery trucks. The course combines classroom instruction with hands-on driving experience to prepare students for the Class B Commercial Driver License (CDL) knowledge and skills examinations.

Days: MTWTH | 5:00PM - 10:00PM | 10/5/26 - 10/29/26
Graham County Campus \$710.00

HEAVY EQUIPMENT

Excavator

This course provides hands-on training in the safe operation and maintenance of heavy equipment. Students learn equipment controls, earthmoving techniques, safety procedures, and site preparation skills to prepare for NCCER certification and entry-level operator positions.

Days: TTH | 5:00PM - 8:00PM | 9/8/26 - 11/12/26
Graham County Campus \$230.60

Track Loader

This course provides hands-on training in the safe operation and maintenance of heavy equipment. Students learn equipment controls, earthmoving techniques, safety procedures, and site preparation skills to prepare for NCCER certification and entry-level operator positions.

Days: MW | 5:00PM - 8:00PM | 9/8/26 - 11/12/26
Graham County Campus \$230.60

Heating & Air HVAC

This course provides instruction in the principles and practices of heating, ventilation, air conditioning, and refrigeration (HVACR) systems. Topics include safety, tools, electrical fundamentals, system installation, maintenance, and troubleshooting. Training follows NCCER standards, preparing students for industry-recognized certification and entry-level HVAC careers.

The class will run concurrently with the HVAC curriculum course.

Days: MTWTH | 9:00AM - 4:00PM | 8/17/26 - 12/16/26
Graham County Campus \$180.60

Plumbing

This course introduces basic plumbing tools, materials and fixtures. Topics include standard tools, materials and fixtures used in basic plumbing systems and other related topics. Upon completion, the student should be able to demonstrate an understanding of a basic plumbing system.

Days: WTH | 5:00PM - 9:00PM | 9/7/26 - 12/15/26
Graham County Campus \$230.60

HERITAGE ART CLASSES

Beekeeping

This course introduces students to the fundamentals of honey bee biology, hive management, seasonal care, and honey production. The course emphasizes safe beekeeping practices and techniques for maintaining healthy, productive colonies.

Days: S

Graham County Campus \$74.60

Basket Weaving

This course introduces students to traditional weaving techniques used to create functional and decorative baskets. Participants will learn basic materials, tools, and construction methods while completing a handcrafted basket to take home. No prior experience required.

Graham County Campus \$74.60 + Materials

HEALTH OCCUPATIONS

Nurse Aide Class

This course includes training on providing personal care, feeding and rehabilitation of patients, infection control, vital signs, communication, and emergencies. Students are prepared to take the Certification Examination necessary for listing on the Nurse Aide Registry.
